We have a splendid black hose—a new number in fine rib at 30c-35c-38c according to size.

### ASHLAND WINS GAME

(Continued from page one)

one fellow in the short ribs and a couple of errors had filled the bases. Coleman could easily have lasted the game and gets credit for the win but the several auto loads of Ashland fans wanted to see Wilson in action and enjoyed the spectacle. He is about the sweetest looking pitcher that has mounted the mound in these parts for a long time and will make the Klamath Falls and Grants Pass lads break their backs reaching for them during the celebration series.

The Yreka folks gave the Ashland boys a cordial reception and it was commonly remarked thruout the grandstand that two cleaner, gentlemanly aggregations of young men have never graced a ball park. There was no "crabbing" and no rough stuff such as often mars a ball game. Both bunches were full of pep and fight but confined themselves to

**STATE BANK OF ASHLAND.**

playing ball and made a booster of every spectator by so doing.

Ashland now has a real ball team, a clean ball team and one which every Ashlander should see in action. The games listed for the celebration are as follows: Yreka at 10 a. m. July 3; Klamath Falls at 10 a. m. July 5, and Grants Pass at 2:30 p. m. July 6. Because of the over-full program for the 4th the town team will play no game on that date. Come out folks and give them the backing that a team like this deserves.

Lilly suffered an injured knee and was taken out in the 8th inning at Yreka. Immediate attention and every care that money can buy is being given him in order to get him back into the celebration series and the doctor in charge expects to get him into shape to swing his bat in the regular line-up when the Yreka boys get here the 3rd. Harper of Dunsmuir and possibly one or two other first class men are being negotiated for to complete the roster from which the line-ups will be picked.

The score by innings follows:

|         |   |   |   |   |   |   |   |   |   |    |
|---------|---|---|---|---|---|---|---|---|---|----|
|         | 1 | 2 | 3 | 4 | 5 | 6 | 7 | 8 | 9 | T  |
| Ashland | 0 | 3 | 3 | 0 | 0 | 2 | 1 | 1 | 1 | 11 |
| Hits    | 1 | 3 | 3 | 2 | 3 | 2 | 2 | 3 | 1 | 20 |
| Yreka   | 3 | 3 | 0 | 0 | 0 | 1 | 0 | 0 | 7 |    |
| Hits    | 2 | 1 | 2 | 1 | 0 | 0 | 3 | 2 | 1 | 12 |

Yreka here, 10 a. m., July 3rd. Be there.

### Western Cities Are Affected By Strike

**PORTLAND, Ore., June 30.**—Union operators employed by the Pacific Telephone and Telegraph company struck here today, in sympathy with those on strike in California.

It was said the entire 800 operators employed by the company here would join in the strike. Four hundred were out by 9 a. m. A few electricians joined the strike and their union officers said they would decide on a course to follow as a body at a meeting tonight.

**SEATTLE, Wash., June 30.**—Both sides in the phone strike here today claim control of the situation. The electrical workers were expected to join the operators in the strike today.

**SPOKANE, Wash., June 30.**—D.

P. Reid, financial secretary of the electrical workers' union, said today the electricians employed by the Pacific Telephone company would probably strike today.

**SPOKANE, Wash., June 30.**—Two hundred employes of Armour & Cartens packing plant struck today, following the rejection of a demand for 50 cents a day increase in wages.

### BYWAYS ATTRACTIVE BUT OFTEN DELUDE

William Sullivan, family and cat of Boise, Idaho, drove thru Eastern Oregon, arriving in Ashland last week. They expect to locate in the valley and are stopping in the auto camp ground until their house is vacated. Mr. Sullivan covered many roads thru Eastern Oregon on his way here and gave Secretary Mowat, of the Commercial Club, much information which he will be glad to pass along to any one desiring to take a trip thru that section towards Idaho. The general

advice Mr. Sullivan gave is that any one going to Eastern Oregon should keep to the main roads as much as possible. While scenic effects may be procured by taking the byways, these roads are also free from inhabitants, and a breakdown might necessitate a walk of fifty miles or some such distance.

Not the least important member of this family party is the cat, a beautiful Persian thoroughbred animal that has accompanied them on their entire trip. Pussy is domiciled in a retreat at the back of the car, and on being called pops up in a most attractive manner to make the acquaintance of passersby.

### 1919 A GOOD YEAR FOR AUTO DEALERS

Simple computation, after a perusal of the records in the automobile registration department of the secretary of state's office, brings the astounding revelation that more than \$26,000,000 has been spent for new automobiles in Oregon since the

first of the present year. This estimate is on the basis that new registrations represent new automobiles and that the average amount paid for a new car is \$1,800. It is said at the secretary of state's office that new registrations in the great majority of instances represent new cars. The state records do not show the valuation of cars, but automobile dealers place the average price at about \$1800. The estimate here given embraces pleasure and commercial vehicles and excludes motorcycles.

Losses by fire in Deschutes county during year ending March 31, 1919, on which insurance was paid totaled \$11,974.43.

Corvallis — \$69,987 engineering laboratory building to be built at O. A. C.

Milton prune growers smiling over record offer of \$127 a ton.

Roseburg—New theatre building here nears completion.
