PLENTY OF PROOF

From People You Know—From Ashland Citizens.

The greatest skeptic can hardly fail to be convinced by evidence like this. It is impossible to produce better proof of merit than the testimony of residents of Ashland people who can be seen at any time. Read the following case of it:

J. R. Maxedon, 977 B St., Ashland, says: "I couldn't say too much in praise of Doan's Kidney Pills for I have never found anything that does me so much good. When I need a kidney medicine I always use Doan's Kidney Pills. When I have a back-ache or my kidneys are not acting right it requires only a box of Doan's to fix me up in fine shape. Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Maxedon had. Foster-McBurrin-Co., Mfgs., Buffalo, N. Y."

What do you get out of tea?

Taste and feeling. Common tea—you know how it tastes; and the tannin in it is bad for nerves and digestion. Good tea has the real tea-flavor: rich, delightful, exquisite. It is the cup that cheers.

Schilling Tea is the fine practical economical tea of this country.

There are four flavors of Schilling Tea—Japan, Ceylon-India, Oolong, English Breakfast. All one quality. In parchment-lined moisture-proof packages. At grocers everywhere.

U. S. MARINES WANT MEN FOR AVIATION DUTY

The aviation section of the Marine Corps is urgently in need of four year enlisted men for gas engine mechanics, machine shop mechanics, electricians, wireworkers, woodworkers, welders, blacksmiths, etc. Men of good character and mechanically inclined are satisfactory. Those enlisting for this duty will be sent to Mare Island, California, for the regular recruit training and after completing that, will be transferred to the regular Navy mechanics school at Great Lakes, Illinois, and receive a thoro education in all or part of the above trades. They will be sent to the flying stations and receive a thoro practical training in mechanical work.

This is a wonderful opportunity for young men to learn a profitable trade at the expense of the government. A large percentage of men on aviation duty are non-commissioned officers and most of these receive in addition to their regular

pay, 50 per cent increase. Mechanics who entered at the beginning of the war with qualifications allowing them to earn only \$2.00 or \$3.00 per day in civil life are now expert mechanics and are securing upon discharge, positions paying \$10.00 to \$12.00 per day.

Further information regarding this unusual offer may be obtained by writing to the U. S. Marine Recruiting Station, 3d & Alder Sts., Portland, Oregon.

RETURNED SERVICE MEN BECOME SCOUT LEADERS

Hundreds of returned soldiers, sailors and marines, eager to continue serving the country, are finding in the leadership of scout troops an opportunity to live their outdoor life and join the Boy Scouts of America as Scoutmasters and Assistants.

In this, they are being encouraged by the War Department which has posted the following order on bulletins at the various demobilization camps from which service men are being discharged:

"The attention of returning army officers and enlisted men who have the necessary qualifications, is directed to the opportunity which the Boy Scouts affords them to further

serve their country. The War Department is in full accord with the purposes of the movement and desires to assist. It is felt that the cooperation of a large number of officers and enlisted men who have seen service in France will inspire the boys with patriotism and a spirit of devotion to their country as nothing else can do."
