HOW HENRY WATTEKSON WILL SUPPORT BRYAN.

Henry Watteksan, the most brilliant and brainy editor in the south, and one of the ablest in the country, is supposed to be supporting the candidate favored by Bryan in the Kentucky campaign.

Though the democratic rooster and William Gobel of Kenton flap their wings at the head of Mr. Watteksan's editorial column, the editor's "orthodoxy," the Chicago Times-Herald thinks, "must be about as gratifying to William Jennings Bryan as the application of vinegar, salt and pepper to a sore spot."

The first of these articles commends Mr. Chambers, former chief justice of Samoa, for maintaining that the United States should hold on to everything it has in the Pacific and for showing that the south will derive special benefits from such a policy and the impetus it will give to our Oriental trade.

In the next column the Iowa Democrats are credited with having perpetrated the greatest absurdity in the record of political conventions this year when they adopted a resolution condemning the Filipino war because it was inspired by Great Britain.

Then an expansive declaration by Senator Morgan is approved in these words: "Senator Morgan is probably the ablest democrat now in public life, but that will count for little with his party, which some time ago quit following able leaders. It seems bent upon going the road which Senator Morgan truly says leads to inevitable defeat.

Finally William Lloyd Garrison is touched up for his recent strictures on the president and others, and it is said that "the more plainly such men express their views the more completely at variance with American sentiment are they found to be. Love of peace is one thing and opposing the government in time of war is another."

Some of the results or neglected dyspeptic conditions of the stomach are cancer, constipation, heart disease and epilepsy. Kodol Dyspepsia Cure prevents all this by effecting a quick cure in all cases of dyspepsia. Charles Rogers.

Pears'.

Pretty boxes and odors are used to sell such soaps as no one would touch if he saw them undisguised.

Pears', the finest soap in the world is scented or not, as you wish; and the money is in the merchandise, not in the box.

All sorts of stores sell it, especially druggists; all sorts of people are using it.

Results impress us more when we are ignorant of the process by which they are attained.

YOUR FACE IS A MIRROR REFLECTING HEALTH OR DISEASE.

The difference between love and dyspepsia is merely a matter of years.

It makes no difference how bad the wound if you use DeWitt's Witch Hazel Salve; it will quickly heal and leave no scar.

A girl's idea of an eligible man is one who wants to get married.

J. D. Bridge, editor and proprietor of the Democrat, Lancaster, N. H., says: "I would not be without One Minute Cough Cure for my boy, when troubled with a cough or cold. It is the best remedy for croup I ever used."

It is easier to do right than it is to get credit for it.

By allowing the accumulation in the bowels to remain, the entire system is poisoned. DeWitt's Little Early Risers regulate the bowels. Try them and you will always use them.

The man who always looks before he leaps seldom leaps.

Don't think you can cure that nagging attack of dyspepsia by dieting, or that it will cure itself. Kodol Dyspepsia Cure will cure it; it "digests what you eat," and restores the digestive organs to health.

Don't busy yourself with unimportant things.

Oliver Wendell Holmes says that if a man truly loved a woman he would not marry her unless he was absolutely positive that he was the very best man in all the world that she could marry.

This is going a little bit to extremes, but in sober fact, no man should marry a woman so long as he is the victim of ill-health. No man has a right to ask a woman not only to be his wife, but a life-long nurse.

Life-long nurse. No man has a right to ask a woman to share the burden of his ill-health, and that is what he does when he asks her to be his wife. Ill-health in man is almost invariably the result of disorders of the digestive and nutritive organs.

If man's stomach is right and his liver right, his blood will be pure and rich, and his nerves strong and steady. When the blood is pure and rich a man cannot suffer from ill-health. Dr. Pierce's Golden Medical Discovery is the great digestive tonic. It is not a mere appetizer, but a scientific aid to the natural processes of secretion and excretion.

Mrs. F. Mortenson of Sanger, Oliver Co., N. Dak., writes: "Dr. Pierce's Golden Medical Discovery is the best cough medicine I ever tried. A little over two years ago I was afflicted with a very bad cough and my home physician prescribed Cod Liver Oil and other kinds of medicine. He said I might go into quick consumption and might die in two or three months. His medicine did not do me any good. I heard of Dr. Pierce's Golden Medical Discovery and began taking it; when I had taken it about two months, according to directions, my cough was cured, and since that time we have always kept your medicine in the house."

Dr. Pierce's Pleasant Pellets regulate and invigorate the stomach, liver and bowels. By all medicine dealers.

A WONDERFUL CURE OF DIARRHOEA. A PROMINENT VIRGINIA EDITOR Had Almost Given Up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy.

READ HIS EDITORIAL. From the Times, Hillsdale, Va. I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hope of recovery and await the result, but noticing the advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it.
