LOST HAPPINESS

"Oh, when a mother meets on high The babe also lost in infancy, Hath size not then for pains and fears, The dity of wor, the watchful night, For all her servoy, all her tears, An over-payment of delight?"

When a baby is taken away by the anget of death from its sorrowing mother she has some sense of consolation which is denied to the sad hearted woman who has never

the most complete and perfect of womanly delights is dented so often to those most fitted by their loving nature to enjoy it.

It is impossible to avoid the feeling that kindly nature would not allow her own best purposes to be defeated, without some fault or short-coming on the part of the woman who longs to be a mother; and experience shows that in a large number of cases the difficulty lies in some unnatural weakness, which, by proper and reasonable means is altogether remediable.

been blessed with the joy of clinging arms around her neck and a dear, der little head nestling against her k bosom. It is sad indeed, that mother?

PLANS WERE LAID IN HONG KONG

Admiral Dewey Has Said Manilla Was Won Before Leaving.

SAILED INTO UNKNOWN WATER

The Difficult and Dangerous Feat of Navigating the Ships After Entering the Bay.

Since the battle of Manila Admiral safer to accept than such good things Dewey has said, not once only, but a are. dozen times, "This battle was won in Hong Kong harbor."

not alone the concealing and proviscarry coal and supplies.

be met here, or he might be met there; whole problem been studied that when navigates a harbor, she is supposed to it was finished Dewey and his captains, though they were prapared for anything that might happen, believed that the battle would be fought just where it finally was and just in the on the bridge of the Olympia and deway that it was,

The commodore and the captains it would have been a difficult thing were together constantly, planning, for them to do so, Indeed, in time of studying, questioning, considering, debating. Any one who had a plan or a suggestion made it, and it was considered. And all this time Spanlards were circulating false reports about Manila, its defenses, the Spanish fleet and its probable movements, and the commodore had to take all that he heard and make up his mind what he should believe and what he should disbelieve There was no voting among the officers. When the studying and considering were done, the commodore alone gave the verdiet. He told the others what was to be done and what was to be the part of each in doing it.

There was no distrust among the They all knew the commodore. John Barrett, who has just published a book about Admiral Dewey, tells of a conversation he had with a gunner of the Olympia, Mr. Barrett asked; Where did you think you were going. and what did you expect to do, when you salled away from Mirs Bay?"

The ships approached Manila bay on April 30. The commodore had heard that the enemy intended to meet him at Point Subig, but if this was true the enemy falled to keep the appointment The Boston and the Concord reconnoitred the region, but found no Spanish ships. At 11:30 o'clock that night the squadron entered Manila bay by the south channel. The ships were n the same order as when they left Mirs Bay, except that the McCulloch and transports fell in behind the Bostan. All the lights were masked, except a screened light at the stern of each vessel, for the vessel behind to fol-

So the fleet steamed up the bay toward Manila. Commodore Dewey, Lieutenant Calkins, the navigator of the Olympis, stood together all night, making their way through unknown waters, guiding their ship and those that followed it simply by what information they had gained hundreds of miles euguese ambassador to the Austrian away. It was an act of great boldcourt, has made his whole journey ness and terrible responsibility to make from Lisbon to Vienna in a handsome such an entrance, but Dewey had workcarriage, drawn by four gorgeously ed out the problem and believed that caparisoned mules and attended by two this was the right way, and that was every commander on the bridge. All

> At daybrenk of Sunday, May 1, the squadron was off Manila, and at 5:15 o'clock it was fired on by three batterfest in Manila and two near Cavite and by the Spanish fleet. The Spanish fleet consisted of the Castilla, the Velasco, the Don Juan de Austria, the Reina Cristina, the Isla de Cuba, the Isla de Luzon, the Don Antonio de Ulloa and numerous small gunboats. As the American ships came along two mines were exploded ahead of the Olympia, but the Spanlards had been too impetuous, as usual; they had blown their mines too scon, and no

hit the Spaniards.

But the time came, and the commo pix let fly, and so did the other ships. was centained in the first clear account trous. of the battle that reached this country, and it was written by a man who stood on the bridge of the Olympia. If it was an invention, therefore, it was an extremely early one. Moreover, the least authoritative account of the affair credits it, and so, perhaps, it is

The American ships passed along the line of the Spanish fleet, pouring a ter-There is probably no well informed rible broadside upon it. When they person now left who supposes that were passed they turned and passed Commodore Dewey's preparation for again, and so they passed and repassthe destruction of the Spanish fleet be- ed five times. Early in the action two gan when he heard that war had been launches were seen coming toward the declared, and neither is it probable Olympia. It was supposed that they that any one who was not present or were trying to use torpedos. The fire has not been through some similar experience can have any realization of
what that preparation meant. It was
disabled and driven upon the beach. The flagship of Admiral Montojo, the ioning of the ships, the grooming of Reina Christina, tried to advance from them and the making of them ready the line and engage the Olympia, at for the greatest possible efficiency of close range, but she met with such service; nor did it end with the buy- a frightful fire that she was barely ing of the British steamers Nanshan able to return to her position. She was and Zafire, to go with the fleet and set on fire by American shells and burned till she sank. The admiral H.F. educational power which

latest, the most complete, and

perience shows that in a large number of cases the difficulty lies in some unmatural weakness, which, by proper and reasonable means is altogether remediable.

So delicate and sacred a subject cannot be treated in any but a serious, and at the same time a sensible spirit. It is purely a feeling of gratitude and a desire that other women like themselves shall be made happy and contented that prompted the writing of the following letters with the express permission that they be published here:

"My baby girl is now five weeks old and is fat and healthy as can be," writes Mrs. Rhimbeth Wright, of Spring City, Sanpete Co., Utah. "I commenced using Dr. Pierce's Pavorite Prescription when about two months along and continued to use it until I was confined. I small bout ten bottles in alt. I have been subject to haiscarriage, having ten of them and two pre-intaire children. I was not troubled in the least this last time. I got stronger as each month progressed and went to my full time. I shall recommend Dr. Pierce's Pavorite Prescription to all I meet who are troubled with female wents ness. There are several ladies taking the "Evorite Prescription" since they have seen the benefit I recoived, and more no doubt, will commence its use after knowing my condition, as my progress was wanched with mosch interest by many of my neighbors and friends."

"My wife had miscarried seven times, but with the last child she took nine bottless of the "Evorite Prescription" and the child is now a large, fine boy. The "Favorite Prescription" when in a critical condition, and finds it the best medicine on earth," writes W. I. Journigan, of Rhinehart, Cataboula Par. Lt. "My wife had miscarried seven times, but with the last child she took nine bottless of the "Evorite Prescription" had the child is now a large, fine boy. The "Favorite Prescription" had the child is now a large, fine boy. The "Favorite Prescription is probably mequaled by that of any physician behind it as Dr. Pierce's Favorite Prescription, and effective remedies is ackn
