Suits to Order

We make suits to order from 5.00 to \$15 cheaper than any other first-class tailoring establishment in Portland. . .

THE great rush of people to take advantage of our extraordinary offers in uncalled for suits and overcoats has been marvelous from the very beginning. The popularity of these suits has become so great that we have been compelled to open correspondence with over one hundred of the largest Tailoring concerns throughout the country in order to get these suits fast enough to supply the enormous demand. These are not misfits, but suits made to order on which deposits have been paid and which for unkown reasons remained uncalled for. Such things happen to every Tailoring establishment. It is by advertising and making a feature of selling these suits that they find it more advantageous to consign them to us than to attempt to dispose of them from their own establishments.

We are Tailors, Bear that in Mind.

Not cheap garment makers, the only thing cheap about our suits is the price. Our suits have that style fit and finish about them that well dressed gentlemen appreciate. Astorians are cordially invited to call and inspect our goods whether they buy or not.
