THU.--DUNBAR--

CHINO AIDS FOREIGNERS.

(Continued from First Page of this Issue.)

The Chinese government has been the of-
formance of its trade with China, and has
took steps to further improve and develop
its trade relations with the United States.

The New York Times, in a recent article,
reported that the Chinese government had
made a considerable effort to open up the
East Indian colonies to Chinese trade.

The Chinese government has also been
active in the development of its railroad
system, and has made a number of
important investments in this field.

The Chinese government has also been
active in the development of its industrial
system, and has made a number of
important investments in this field.

The Chinese government has also been
active in the development of its agricul-
tural system, and has made a number of
important investments in this field.

The Chinese government has also been
active in the development of its mining
system, and has made a number of
important investments in this field.

The Chinese government has also been
active in the development of its fisheries,
and has made a number of important
investments in this field.

The Chinese government has also been
active in the development of its forestry,
and has made a number of important
investments in this field.
