SUMMER RESORTS

"To the mountains our people in inreasing numbers yearly look for those days of relaxation and recreation necessary to maintain the human machine in fair working condition. The languorous sloth of the seashore proves very seductive while it lasts, but many have decided that the annual outing should provide not only radical change of air and surroundings, but also such stimulation of flagging energies as will provide brawn and vigor for the return to labor. For this they urge the mountain climb and ramble, the balsam of the mountain pines, and the clear, unadulterated mountain atr.
