the kind that has come from Puget

sound. The last was towed down by the Czarina and went to pieces. The safe arrival of this raft means a fortune to its owners. The lumber would furnish cargo to twelve big coast salling craft or about twenty steam schooners, the saving on which makes the profit enormous. Shipowners obfect to this method of transportationnot only because it swallows up so much cargo, but for the reason that rafts are a constant menace to navigation. An ocean-going captain never sees one without a shudder, and once adrift goes out there is no more sleep

for shipmasters on the coast until their

voyages are ended.

Few persons have any idea of the county in a month's time. The folthe county bridges will be found interesting to many. Young's bay bridge opened the draw 87 times; persons crossed coal and lumber cargo. She had been 178; one horse milk wagons, 185; two horse milk wagons, 125; one horse wag-In Juctice Brower's court R. U.
