SETTLEMENT OF STRIKE REMOTE

Many workers have been sent back to work in the last few days, and there is no indication that the strike will be prolonged. The settlement of the strike was reached after several days of negotiation between the company and the unions. The main issue was the wage increase, which was eventually agreed upon. The workers will return to work immediately, and production is expected to resume shortly.

PRINCE TIAN IS DESPERATE

Prince Tian, the Chinese emperor, is reportedly in a desperate situation. The situation is due to the recent diplomatic crisis with the United States and the international community. The Chinese government is under pressure to make concessions and resolve the conflict.
