TRULY DEMOCRATIC.

Under the above caption the Baker City Republican shows up the attempt of the Democratic organ of that city to use against Hon. C. W. Fulton a fake interview, purporting to be with him, published in the Portland Sun in 1894.

NERVE FOOD

If you have neuralgia, Scott's emulsion of cod-liver oil will feed the nerve that is crying for food—it is hungry—and set your whole body going again, in a way to satisfy nerve and brain with your usual food.

If you are nervous and irritable, you may only need more fat to cushion your nerves—you are probably thin—and Scott's emulsion of cod-liver oil will give you the fat, to begin with.

Cure, so far as it goes. Full cure is getting the fat you need from usual food, and Scott's emulsion will help you to that.

Scott & Bowser, 409 First Street, New York.

advertising the Democratic paper and leading people to believe that whatever it says is of such vital importance that it must be answered.

"Governor Geer and several others have been led into this trap, but we hope that Hon. C. W. Fulton will not become a party to any such scheme by even noticing the attack made upon him by quoting a so-called interview which Senator Fulton has many times repudiated both in public and private.

"The Portland Sun has been buried several years and its demise was caused by just such misquotations as that printed in the morning paper about Senator Fulton.

"Having been in public life with Mr. Fulton during the time of the fake interview, we know whereof we speak, and it will take something more than a political trick for cheap advertising in Baker City to kill Hon. C. W. Fulton. He is fully equipped and clothed with Republican principles and his honor and integrity both in political or private life have never been questioned openly by the Democratic paper in Baker City."

THE DESCENT OF BRYANISM.

Bryanism is on the down grade. That is one of the most obvious features of the present campaign. It is also, theoretically, one of the most deplorable, because the reference is not merely to the waning strength of Mr. Bryan as a candidate and his lessening hopes of winning even as many votes as he had four years ago—which should be matter for rejoicing—but also to the marked lowering of tone of the utterances of the candidate and his supporters, and the lowering of the grounds upon which appeal is made for public sympathy.

Mr. Bryan began the campaign, before and at the Kansas City convention, in a manner that called for a certain admiration for his courage and straightforwardness. If not for his wisdom, it was a fine spectacle to see him standing steadfastly by his "paramount issue" of free silver and refusing to be made the candidate of his party unless that issue were reaffirmed in the most direct and explicit terms.

BRIGHT'S DISEASE.

High living, intemperance, exposure and anxiety are the things which bring on Bright's disease. Foley's Kidney Cure will prevent Bright's disease and all other kidney or bladder disorders if taken in time.

IT HEALS THE LUNGS.

When suffering from a racking cough take a dose of Foley's Honey and Tar. The sweetest will be relieved and a warm, grateful feeling and healing of the parts affected will be experienced.
