Another Spanish-American revolution crushed! Next!

Hobson is truly a genius. His ability to create sensations is even equal to that of Jim Ham Lewis.

The condition of New York's state of Liberty enlightening the world is a national disgrace and should be remedied at once.

Bryan suggests to the negroes of the South that they "do justice by the Filipino as they would have justice done to themselves."

A. B. Hammond complains that the development of the Oregon coast country is retarded by the fact that common point rates are not given by the railroads to shippers from Astoria.

Mr. Bryan's teachings bearing evil fruit. Brooklyn Standard Union. Mr. Bryan's scarcely disguised appeals to the forces of discontent, disorder and anarchy are fast bearing fruit.

The American demand that the Chinese government shall appoint a minister for foreign affairs who shall assume the responsibility for negotiations between China and the powers should be concurred in by all the nations interested.

General Simon B. Buckner, of Kentucky, who, in 1894, was the candidate for vice-president on the National Democratic ticket, has returned from a trip abroad.

Lazy Livers. Are many times the cause of various diseases. Ninety per cent of the American people are said to be troubled with liver and stomach complaints.

Baldwin's Health Tablets. No. 25. Overcome and cure those ailments. These tablets act as a gentle laxative. They make the liver and stomach do their duty as they should.

Doctors will receive a majority of the votes cast in that state. The real, almost pure Democrats of Kentucky have no sympathy for either Bryanism or Cochetism.

General Lee Wallace, of Crawfordsville, Indiana, who has frequently criticized the Republican administration, has declared in favor of re-electing President McKinley.

Free silver is a menace to the business of the country. Finally, I am opposed to Mr. Bryan, as I hold him directly responsible for the death of every one of the brave American soldiers slain in the Philippines.

Some statements are self made, but the majority of the politicians are machine made. BRIGHT'S DISEASE. High living, intemperance, exposure and many other things bring on Bright's disease.

THE LOUVRE. Strangers visiting in the city will find the Louvre an attractive resort wherein to spend the evening.

When the gods would destroy, they first drive into solitudes.

It is surprising to one who knows Foley's Honey and Tar, and knows what it will do, to have a dealer recommend something else as "just the same" or "just as good" for colds, coughs, croup, in children, etc.

Don't be deceived or humbugged by people who claim the discovery of some herb, unknown herb or root in swamps, or on some mountain or prairie, for the cure of kidney and bladder troubles.

The woman seldom blanches who really is the cause to do so.

TO STOP A COLD. After exposure or when you feel a cold coming on, take a dose of Foley's Honey and Tar.

The man with loose habits is the one that is oftenest tight.

I have always used Foley's Honey and Tar with good medicine and think it the best in the world.

All men are born equal; but some of them manage to get on the police force afterward.

The editor of the Louisville, Ky. Miscellaneous writes as a postscript to a business letter: "I was cured of kidney trouble by taking Foley's Kidney Cure."

Some statements are self made, but the majority of the politicians are machine made.

High living, intemperance, exposure and many other things bring on Bright's disease.

It is surprising how many men have things they want to sell for less than cost.

When suffering from a racking cough take a dose of Foley's Honey and Tar.
