THEN?

If Mr. Bryan is elected, have you weighed what the results will be? Perhaps some one replies, that under the gold law he can't seriously hurt

make a majority, and pass the bill in

In like manner, if Bryan is elected Democratic senators to the United States senate to replace outgoing Remajority there-just as the Repubage bill-just as McKinley and the Republicans passed the gold bill?

And don't they stand pledged to do

Their Kansas City platform demands "The free and unlimited coinage of silver and gold at the present legal ratio of 16 to 1, without waiting for the aid or consent of any other nation." William J. Bryan on September 4th

last, at Zanesville, Onio, announced: "The party stands where it did in 1896

And at Paterson, N. J., on September 28th, 1896:

"I say to you now my election means that this nation shall open its mints to the free coinage of both metals at the earliest possible moment."

And at Knoxville, Tenn., on September 6th, 1896:

"If there is any one who believes the promise him it will not be maintained in this country longer than I am able to get rid of it."

Is it not perfectly clear that if they
