JOINT NOTE HAS BEEN PREPARED

Envoys Agree Indemnity Cannot
Be Less Than \$300,000,000.

CONGER IS COMING HOME

Measures Which He Advocates Do Not Har-
monize With Those of the Admin-
istration—Japan in Favor
of Moderation.

LONDON, Nov. 26.—Dr. Morrison, writing to the Times Sunday, says: "The foreign envoys have agreed to the propositions that were previously requested owing to lack of unanimity. The delay in the presentation of the joint note is due to postponement by the home governments. This increases the difficulties of the situation and aggravates the dislocation of trade and finance, especially in the collection of international revenues. At the lowest, the indemnity is computed at £60,000,000."

JAPAN THE DECIDING FACTOR.
NEW YORK, Nov. 26.—Recent develop-
ments in the Chinese situation, says
a Washington special to the Herald,
show that Japan's decision will deter-
mine whether the vengeance policy of
Germany shall be adopted or rejected.
Her vote in favor of a policy of moder-
ation will, in the opinion of officials, go
far toward solving the political prob-
lem.

Great Britain, Germany, Austria, and
Italy favor presenting to the Chinese
peace commissioner a demand for the
imposition of severe penalties upon the
authors of the Boxer outrages. The
United States, Russia and Europe are
opposed to asking more than the Chi-
nese government can reasonably grant.
Japan's course in China convinces offi-
cials at Washington that she under-
stands the folly of asking the imperial
government to make concessions which
would at once show its weakness and
renew the conflict. Therefore it is be-
lieved that the Tokio government will
support a policy of moderation.

A diplomat of high standing in the
corps of European representatives said
lately that Secretary Hay's note had
once more shown Europe that the Uni-
ted States purposes to obtain renewed
assurances in line with those already
given or segregate the power or pow-
ers which have allowed ambition to
smother their usefulness purposes.

CONGER COMING HOME.
NEW YORK, Nov. 26.—A Washington
dispatch to the World says:
Mr. Conger probably will return to
the United States. His relations with
the administration have not been har-
monious since the relief of Pekin. Mr.
Conger advocates measures which the
president regards as too radical and
has not taken kindly to the fact that
his views have not been endorsed at
Washington.

PROMINENT DOCTOR SHOT.
Murderer Accused Him of Alienating
His Wife's Affections.

MARYSVILLE, O., Nov. 26.—Dr. H.
A. Hamilton, a prominent physician
of this place, was shot today. Alfred
Ain, 35 years of age, who had accused
the doctor of causing the separation of
Ain and his wife, is under arrest,
charged with firing the fatal shot.

GOLD DISCOVERER DEAD.
SALT LAKE, Nov. 26.—Henry W.
Bigler, who made the first record of the
great California gold discovery in 1848,
died at St. George, Utah, Saturday.

CHARLES HOYT'S WILL.
Ignores His Relatives Because They
Were Not Friendly to Him.

NEW YORK, Nov. 26.—The will of
Charles Hoyt, the playwright, was filed
today in surrogate's office. It was ex-
ecuted October 15, 1898. After making
bequests to his friends and employes,
the testator says:
"It is my wish that the theatrical

business of Hoyt and McKee be con-
tinued and conducted solely by Frank
McKee, who is to receive all of my
share of the profits thereof.
"In making my will at present," he
will concludes, "I have no relatives
nearer than cousins to be considered,
but as my cousins and distant rela-
tives have never shown by any act any
desire for my friendship or good will,
I have deemed it more consistent with
fair dealing and justice to dispose of
my property to those who during my
life have been my constant companions
and wellwishers, and to such chari-
ties as in my judgment are as fit-
ting."

DEFENDER FOR CANADA'S CUP.
Yacht Will Be Built by a Chicago Syn-
dicate.

CHICAGO, Nov. 26.—The Times-Her-
ald says:
Three Chicago yachtsmen have form-
ed a syndicate to build a defender for
the Canada's cup. The cunning of an
eastern designer, the skill of an eastern
builder, together with the best of equip-
ment money can buy, will combine to
produce a craft which the prospective
owners believe may worthily represent
the Chicago Yacht Club in the interna-
tional race with the Canadian repre-
sentative.

George M. Pynchon, Benjamin Car-
penter and Merrill Dunn, all of whom
have had considerable experience in
sailing upon the inland lakes, have
pooled interests and for several weeks
have been scheming as to what ideas
would best be incorporated in the new
craft.

As the class of the yachts competing
for the trophy is yet to be determined
by the joint committee of the Royal
Canadian and Chicago Yacht Clubs,
plans for designs must be held in abey-
ance. However, it is settled a yacht
will be built and it will be in Lake
Michigan by May 1.

BRYAN WILL SPEAK.
At Jackson Day Banquet to Be Held
in Chicago January 8.

CHICAGO, Nov. 26.—Before W. J.
Bryan left for his home in Lincoln,
it is said he gave assurances that he
would be present at the Jackson day
banquet to be held in this city on Jan-
uary 8. Other speakers have not been
selected but it is believed that one of
them will be Cato Sells, of Iowa. Mr.
Sells was to have spoken at the last
banquet held in the Tremont House,
but as he was alighting from the Sher-
man House he slipped and fell so se-
verely that he sprained his side and
was confined to his bed in the Tremont
House during the remainder of the
evening and for several days following.
It is thought that at the coming ban-
quet Mr. Bryan will declare himself on
the future of the party.

OVERSEER KILLED A MEXICAN.
Now in Arizona, a Fugitive From Mex-
ican Laws.

YUMA, Ariz., Nov. 26.—John Taylor,
overseer of the wood cutting camp of
the Imperial Canal Company, has ar-
rived here, a fugitive from the rigors
of the Mexican law. Taylor had gone
to the wood camp just across the Cali-
fornia line in Lower California to
measure wood cut by contract.

When thus engaged he became in-
volved in a quarrel with a Mexican,
whom he shot and mortally wounded.
Taylor says he acted in self-defense.
He narrowly escaped lynching at the
hands of the Mexicans.

INSANE TRAVELING MAN.
Well Known as Prince of Storytelling
Drummers.

PHOENIX, Ariz., Nov. 26.—Joe Mul-
hatten, once well known from New
York to San Francisco as the "Prince of
Storytelling Drummers," has been plac-
ed in the territorial insane asylum in
this city. Physicians say the chances
of recovery are small.

Gould Brothers Enjoined From

\$385,000 DUE FOR CURIOS

London Merchant Gets Injunction From New
York Supreme Court—Claims Cas-
tellane Can Spare Enough
to Pay Debts.

NEW YORK, Nov. 26.—Samuel Un-
termeyer applied to and obtained today
from Justice Fitzgerald, sitting in the
supreme court, an injunction order re-
turnable Monday next against Count
and Countess de Castellane, Edwin and
George Gould, Howard Gould and Hel-
en M. Gould as trustees under the will
of Jay Gould, restraining them from
paying to Anna Gould, Countess de Cas-
tellane, any part of the estate in the
hands of the trustees until further di-
rection of the court.

The plaintiff in the suit is Anthony
J. Dattman, who sues as the assignee
of Asper Wethermer, a London bric-
a-brac dealer. The complaint contains
copies of drafts drawn by Wethermer
and accepted in writing by Count and
Countess de Castellane, amounting to
upwards of \$385,000.

It is alleged that Anna Gould has
\$18,000,000 held in trust for her by her
brothers and sister and that her in-
come is about \$900,000 annually. It
is claimed that \$250,000 a year is all
that the count and countess require for
their support and the plaintiff asks that
the remainder of their income should be
applied to the payment of the couple's
debts.

A few weeks ago George J. Gould
was appointed guardian for Countess de
Castellane in a proceeding in a French
court.

CAVALRY IN READINESS.
Colorado Officials Determined to Expi-
diate Indian Hunters.

DENVER, Nov. 26.—Adjutant-Gener-
al Overmeyer today wired troop A,
cavalry, at Grand Junction, to be in
readiness for immediate call in case
Game Commissioner Johnson's forces
should not be able to expel the Indian
hunters from the White river coun-
try.

WARDEN AFTER INDIANS.
CHICAGO, Nov. 26.—A special to the
Tribune from Glencoe Springs, Colo.,
says:
Chief Game Warden Johnson, accom-
panied by five deputy game wardens,
passed through here en route to Meek-
er, Colo. There the intention is to drive
from Colorado the Indians from the
Utah reservation in Utah who are
killing game in the western part of
this state.

LACE MAKERS ADMITTED.
Action of the Philadelphia Immigration
Officials Reversed.

WASHINGTON, Nov. 26.—The treas-
ury department today decided to admit
the laceworkers and their families who
were brought to this country by Dr.
J. A. Dowle, the "divine healer," and
the founder of Zion City, Ill., to teach
others the art of lacemaking. This is
a reversal of the actions of the Phila-
delphia immigration officials, who had
decided that the laceworkers should not
be admitted to this country.

RIVER AND HARBOR BILL.
Will Closely Follow the Estimates of
the Engineers.

WASHINGTON, Nov. 26.—The river
and harbor committee of the house
met today and began the preparation of
its appropriation bill. It was decided
that no hearing will be granted except
in special cases.

The impression among the members is
that the estimates of the engineers ap-
pointed by the secretary of war will be
closely followed in making the bill.

FLOODS IN PENNSYLVANIA.
Many Residences in Du Bois Have
Four to Six Feet of Water on
Ground Floor.

DU BOISE, Pa., Nov. 26.—This sec-
tion of country experienced a severe
flood today. All the mining plants sit-
uated on low ground were compelled to
close down this morning and many res-
idences in the lower parts of town
have four to six feet of water on the
ground floors.

RIVERS AT DANGER LINE.
CHARLESTON, W. Va., Nov. 26.—
The continuous rainfall of the past 48
hours has caused a rapid rise in all
the streams in this section of the state.
The Kanawha has almost reached the

danger line here and the people in the
lowlands are already moving out.

DAMAGE TO RAILROADS.
HINTON, W. Va., Nov. 26.—There
have been various reports tonight about
bridges on the Chesapeake & Ohio be-
ing washed out and a train running
into the river with all on board lost.
There is nothing in any of these re-
ports. All of the trains are accounted
for, either at Alderson or White Sul-
phur Springs, and the passengers on
delayed trains are being entertained at
hotels in the best possible manner.
While none of the bridges are washed
out yet the road has suffered much
damage for a distance of about 30 miles
in embankments being washed out and
in landslides.

SNOW AT BUFFALO.
BUFFALO, Nov. 26.—Buffalo and
vicinity is submerged tonight by a fall
of about one foot of snow. From the
surrounding towns comes the report of
serious damage to telegraph and tele-
phone wires caused by the snow.

RAPE AT PORT TOWNSEND.
Negro Enticed Two Young Girls Into
His Room.

PORT TOWNSEND, Nov. 26.—Jerry
Stancliff, a negro, was arrested and
lodged in jail this evening charged
with the crime of rape on two little
girls aged 13 and 15. He enticed them
to his room with candy and then com-
mitted the crime, after which he kept
them prisoners in his room for three
days.
The absence of the children from
home alarmed their mother, who noti-
fied the authorities and the police lo-
cated them. Indignation runs high but
no fears of violence are entertained.

TWO SCHOONERS WRECKED.
Sailors Lashed in Rigging for Two
Days and Not Yet Rescued.

KINGSVILLE, Ont., Nov. 26.—An un-
known schooner is sunk on the middle
ground off Point Pelee and the sailors
are lashed in the rigging, the masts
being above water.
Since Sunday morning the tug Am-
berburg has been trying to rescue the
men but there is such a high sea
running that her efforts have been
fruitless. It is feared that the men
will die from exposure before aid can
reach them.
The schooner Reuben Doud is also
on the middle ground but nothing is
known of her condition.

CLERK WAS A THIEF.
Stole \$50,000 From a Florida Railway
to Speculate With.

NEW YORK, Nov. 26.—A clerk of the
Seaboard Air Line has been arrested at
Fernandina, Fla., for the theft of \$50,-
000 from that line. It is said that the
money taken by this clerk was lost
through speculation with the firm of
C. B. Lawrence & Company that re-
cently failed here and the principals
of which are now under arrest.

CLARK GOING EAST.
LOS ANGELES, Cal., Nov. 26.—Wm.
Clark, of Montana, will leave here to-
morrow for the East to remain until
the first of the year, when he will re-
turn to Montana to further his inter-
ests in the senatorial contest in the
state legislature.

up the Republican caucus list of the
senate the name of Senator Wellington,
of Maryland, has been omitted at his

ANOTHER ROAD WANTS AN OUTLET

Will Reach Tidewater at Bel-
tingham Bay.

B. B. & B. C. R. EXTENDED

Supt. Donovan Announces That the Road
Will Be Built Over the Cascade
Mountains—Pass Has Been
Found.

NEW WHATCOM, Wash., Nov. 26.—
Superintendent Donovan, of the Bel-
lingham Bay and British Columbia
Railway, announced today that the ex-
tension of that road now being built
to a point about half way up the west-
ern slope of the Cascade mountains
would not end there but would go a
considerable distance further and that
the contract would soon be let for the
work.

The present extension was only in-
tended to reach the company's coal
mines on Boulder creek, and the an-
nouncement that it is to go further, it is
understood, can only mean that the
road is to be built over the Cascade
mountains to connect with one of the
big western roads seeking a route to
tidewater.
The railroad company has had an
engineering corps in the field for the
last 90 days, trying to find a pass
through the mountains, and the an-
nouncement made today indicates the
success of the mission. The B. B. & B.
C. Ry. is owned by D. O. Mills, of
New York, Olvinia Hayward and P. K.
Cornwall, of San Francisco.

KRUGER SEES EXPOSITION.
Ascends Eiffel Tower and Is Shown
Paris.

PARIS, Nov. 26.—Mr. Kruger took a
long drive during the afternoon. He
was accompanied by his grandson and
escorted by police cyclists and mount-
ed guards.
He entered the exposition grounds.
There he ascended the Eiffel tower to
the second story where M. Picard, the
director-general, showed Mr. Kruger
the principal buildings of the expo-

Kruger stopped and gazed at his own
bust, which was profusely decorated
with flowers and other tributes of ad-
miration.

dispatch from Paris to the Journal and
Advertiser from Michael Davitt, Presi-
