While we have been enjoying the bright sunshine of an Oregon autumn, fierce storms and floods have been continuing their destructive work in the East.

While the American soldier has always borne an excellent reputation for soldierly conduct and the possession of the best manly qualities, he appears to have been on his mettle in China, and determined to show the troops of Europe the superior quality of our civilization.

Private Siles P. Holt acts by himself, for himself. He and his companions make for a common objective, not like stiff, trained soldiers, but like panthers, stalking at prey. Their eyes flash, their little bodies swing forward; there is murder and deadly intentness in every movement.

THE PEACE OF THE WORLD.

Butte Inter-Mountain.

The illness of the young czar of all the Russias has directed universal attention to him, and demonstrated that he is one of the most important figures in Europe.

Envy is ever joined with the comparing of a man's self; and where there is no comparison, no envy, and therefore kings are not envied but by kings.

J. Ogden, of Frostburg, Md., writes: "I had a very bad attack of kidney complaint. I tried Foley's Kidney Cure which gave me immediate relief, and I was perfectly cured after taking two bottles."

would have welcomed. And so it has come about that the czar, the supreme autocrat of Russia, is hailed as the keeper of the world's peace.

The illness of the czar has called attention to the general aspect of affairs in Europe. King Oscar of Sweden and Norway, it is announced, cannot recover from the malady that has for some time prevented him from attending in the affairs of state.

However, the situation clearly shows that the opening years of the new century will be marked by many changes among European rulers, and that much history will be made.

IT CURES THE COUGH AND STOPS THE COUGH.

It is one of the best bonds, both of chastity and obedience in the wife, if she think her husband and wife, which she will never do if she finds him jealous.

Persons of prominent virtue, when they are advanced, are less envied; for their fortune is sought by the duty to them, and no man envied the payment of a debt, but rewards and liberality rather.

After exposure or when you feel a cold coming on, take Foley's Honey and Tar.

Envy is as the sunbeams, that beat hotter upon a bank or steep rising ground than upon a flat.

These are most subject to envy which carry the greatness of their fortunes in an insolent and proud manner.

RECOMMENDS IT TO TRAINMEN. G. H. Hausan, Lima, O., Engineer, L. E. & W. R. R., writes: "I have been troubled a great deal with backache. I was induced to try Foley's Kidney Cure, and one bottle entirely relieved me. I gladly recommend it to any one, especially my friends, among the train men, who are usually similarly afflicted."

Today take Foley's Honey and Tar. It positively prevents pneumonia, or other serious results from colds. It may be too late tomorrow.

SOUTHERN CALIFORNIA.

Notable among the pleasures afforded by the Santa Route is the winter trip to Southern California and Arizona. Renewed acquaintance with this section will ever develop fresh points of interest and added industries.
