BAD COMPLEXIONS
Dry Thin and Falling Hair
and Red Rough Hands
Prevented by
CUTICURA SOAP

The C. Curgeon, B. A., made by Cuticura, Central, New York, for preserving, purifying and beautifying the skin, for cleansing the eyes of swelling, noise and dust and the stopping of burning, for bringing, soothing and removing red, rough and sore heads, in the form of balls for evening application, combations and fissions, or two or three of different, is in the form of powder, for attractive remedies for so many country enterprises for which easily ignite themselves to women, and especially in children, for all the purposes of the skin, hair and surface.

CUTICURA SOAP is made at the proper price for such a purpose, and contains water, or any other, especially purifying and purifying the skin, and hair of ladies and children. Efficient. Soaps combine distinct excellent properties derived from Cuticura, the great skin care, with the power of cleansing ingredients and the most refreshing of Drier agents. No other Drier soap was ever rivalled in being composed with it in the purifying, purifying and beautifying the skin, hair, head and hands. No other foreign or domestic Drier soap, however expensive, is to be compared with so all the purposes of the skin, hair and surface.

CUTICURA SOAP.
