A LITTLE PREMATURE.

Rainier Gazette.

Astoria has a city council that deserves the respect and admiration of all fair-minded people. Not until the ordinances were amended, time after time, and meeting after meeting, did that body of representative men of the city's interests grant a franchise to a syndicate who wanted to use the streets for car purposes, which ordinance specified a tax of \$30 on each car per year operated, and that it must keep its track in repair and pave one foot of the street each side of its track, was the council satisfied and granted the franchise asked. There should be more of the same councils as Astoria has. But it is generally "boodle" an alderman is laying for and the city is cinched.

IT CURES THE COLD AND STOPS THE COUGH.

Lazative Bromo Quinine Tablets cure a cold in one day. No cure, no pay. Price 25 cents.

There may be any number of people running for office, but the only way most of them will ever get out of breath is when they die.

The Countess Castellane alludes to the count as "My dear husband." Very dear, indeed.

Chapped hands, cracked lips and roughness of the skin cured quickly by Banner Salve, the most healing ointment in the world. CHAS. ROGERS, Druggist.

A Tennessee woman has discovered a positively reliable method of curing boys of the cigarette habit. She killed the boy.

IF BANNER SALVE

doesn't cure your piles, your money will be returned. It is the most healing medicine. CHAS. ROGERS, Druggist.

The population of Nevada was officially announced as 42,333, against 45,761 in 1890, a decrease of 3427, or 7.4 per cent.

That old-time custom of burning barrels as an election left accompaniment is dying out, but the use of the election barrel in other respects is increasing.

Save doctors' bills by giving Foley's Honey and Tar to infants and children in time to prevent pneumonia or croup, which are fatal to so many thousands of babies. CHAS. ROGERS, Druggist.

Now it is said the latest alibi is not by any means the success alleged. More evidence how hard it is to get up in the world.

A woman has been found at Malone, N. Y., who is remarkably hale and active at the age of 165.

J. A. Lambert, of Rachel, N. C., writes: "I heartily endorse Foley's Kidney Cure. It does what you claim it will do, and there is nothing equal to it, and I thank you for the good it has done me." Accept no substitute. CHAS. ROGERS, Druggist.

Andrew Long has been writing an "The Joy of Being a Villain." He probably means a vaudevillian.

La grippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these coughs. CHAS. ROGERS, Druggist.

One of the high Chinese functionaries committed suicide by swallowing gold leaf. If he was guilty then gilt was a very proper means to use to effect his exit.

LINGERING LA GRIPPE COUGH.

G. Vacher, 157 Osgood St., Chicago, says: "My wife had a very severe case of la grippe, and it left her with a very bad cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Price 25c and 50c. CHAS. ROGERS, Druggist.

The man who has lived with his wife in a room in one of Chicago's well-known hotels for twenty-two years must have bought the house several times over.

TRIED FIVE DOCTORS.

Mrs. Frances L. Bates, of Missouri Valley, Ia., writes: "I had severe kidney trouble for years, had tried five doctors without benefit, but three bottles of Foley's Kidney Cure cured me." CHAS. ROGERS, Druggist.

During the last ten years more than \$10,000,000 has been expended in the United States in the maintenance of agricultural stations, \$7,000,000 of which has come from the federal government.

AFTER LA GRIPPE—WHAT?

Usually a rattling cough and a general feeling of weakness, Foley's Honey and Tar is guaranteed to cure the "grippe cough" and make you strong and well. CHAS. ROGERS, Druggist.
