La Verite, an organ of the ultra-Catholic French Canadians, has a strange conception of American public sentiment. A recent issue asserts that "the French Canadians have only to make a sign to Uncle Sam and in fifteen days an army would occupy Quebec, Montreal and Toronto." The American government has no ambitious hankering after an invasion of Canada, even at the urgent request of the French Canadians, nor has Uncle Sam the soldiers which would be necessary for such an undertaking. The French army is looking for some active enterprise to dispel its annual. La Verite would do well to look to it in case of an emergency. There the French Canadians could find more sympathy and a larger and less preoccupied army at their disposal.

An Irish politician says that half the lies told about him are not true.

**TO CURE A COLD IN ONE DAY.**  
Take Laxative Broom Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 2c.

The Countess Castellani alludes to the count as "My dear husband." Very dear, indeed.

Chapped hands, cracked lips and roughness of the skin cured quickly by Banner Salve, the most healing ointment in the world. CHAS. ROGERS, Druggist.

A Tennessee woman has discovered a positively reliable method of curing boys of the cigarette habit. She killed the boy.

**IF BANNER SALVE**  
doesn't cure your piles, your money will be returned. It is the most healing medicine. CHAS. ROGERS, Druggist.

The population of Nevada was officially announced as 42,335, against 45,761 in 1890, a decrease of 347, or 7.4 per cent.

That old-time custom of burning barrels as an electric light accompaniment is dying out, but the use of the electric barrel in other respects is increasing.

Save doctors' bills by giving Foley's Honey and Tar to infants and children in time to prevent pneumonia or croup, which are fatal to so many thousands of babies. CHAS. ROGERS, Druggist.

Now it is said the latest ailment is not by any means the success alleged. More evidence how hard it is to get up in the world.

A woman has been found at Malone, N. Y., who is remarkably hale and active at the age of 105.

J. A. Lambert, of Rachel, N. C., writes: "I heartily endorse Foley's Kidney Cure. It does what you claim it will do, and there is nothing equal to it, and I thank you for the good it has done me." Accept no substitute. CHAS. ROGERS, Druggist.

Andrew Lang has been writing an "The Joys of Being a Villain." He probably means a vandivillian.

La grippe coughs often continue for months and sometimes lead to fatal results after the patient is supposed to have passed the danger point. Foley's Honey and Tar affords positive protection and security from these coughs. CHAS. ROGERS, Druggist.

One of the high Chinese functionaries committed suicide by swallowing gold leaf. If he was guilty then gift was a very proper means to use to effect his exit.

## LINGERING LA GRIPPE COUGH.

G. Vacher, 157 Osgood St., Chicago, says: "My wife had a very severe case of la grippe, and it left her with a very bad cough. She tried a bottle of Foley's Honey and Tar and it gave immediate relief. A 50 cent bottle cured her cough entirely." Price 25c and 50c. CHAS. ROGERS, Druggist.

The man who has lived with his wife in a room in one of Chicago's well-known hotels for twenty-two years must have bought the house several times over.

## TRIED FIVE DOCTORS.

Mrs. Frances L. Sales, of Missouri Valley, Ia., writes: "I had severe kidney trouble for years, had tried five doctors without benefit, but three bottles of Foley's Kidney Cure cured me." CHAS. ROGERS, Druggist.

During the last ten years more than \$10,000,000 has been expended in the United States in the maintenance of agricultural stations, \$7,000,000 of which has come from the federal government.

## AFTER LA GRIPPE—WHAT?

Usually a racking cough and a general feeling of weakness. Foley's Honey and Tar is guaranteed to cure the "grippe cough" and make you strong and well. CHAS. ROGERS, Druggist.
