The Push Club has scored another victory in the appointment of H. G. Van Dusen as master fish warden. Mr. Van Dusen had the endorsement of the entire community as well as of the commercial bodies of Astoria and his election will meet with approval not only here but in other parts of the state. It was most fitting that the center of the industry should name the warden and the choice of the commission is but just recognition of that fact.

Respectors of the nation's honor and integrity will rejoice at the president's firm stand on the question of the independence of Cuba in his inaugural address found in another column of today's Astorian. The greed of mortals interests which desired to freely exploit the island and the clamor of politicians of a cheap order who sought to gain influence by securing the appointment of friends to office in the government of Cuba have been frustrated by the firmness and dignified stand of the president for the fulfillment of our national duty and the payment of our solemn pledge to the people of that island. At the same time, he does not intend that we shall weakly withdraw and leave the island until our duty to secure the establishment of a permanent government is performed. The address is characteristic throughout in its dignified and optimistic recital of policies which have prevailed throughout his tenure of office and their results.

TO CURE A COLD IN ONE DAY.
 Take Laxative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

A good complexion spoils the housework.

Mr. J. W. Patterson, night police at Nashua, Ia., says: "In January I had a very bad cold on my lungs, and used half dozen different cough medicines and prescriptions from two doctors, but grew worse all the time. I finally bought a bottle of Foley's Honey and Tar and after using two-thirds of it, I was entirely cured." CHAS. ROGERS, Druggist.

Until a man falls in love, all girls look alike to him.

AFTER LA GRIPPE—WHAT?

Usually a racking cough and a general feeling of weakness, Foley's Honey and Tar is guaranteed to cure the "grippe cough" and make you strong and well. Take no substitutes. CHAS. ROGERS, Druggist.

Be sure you are right, then go ahead—but don't ask a woman.

Pneumonia follows la grippe, but never follows the use of Foley's Honey and Tar, the great throat and lung remedy. Take no substitute. CHAS. ROGERS, Druggist.

A girl has to be 25 before she is wise enough not to try to be witty.

Engene J. Hall, the poet and publisher, says that one dose of Foley's Honey and Tar restored his voice when hoarseness threatened to prevent his lecture at Central Music Hall, Chicago. Nothing else as good. CHAS. ROGERS, Druggist.

It's a funny thing that you never feel near so sleepy Sunday morning, when you don't have to get up.

Robt. R. Watts, of Salem, Mo., writes: "I have been troubled with kidney disease for the last five years and have doctored with all the leading physicians and have tried all remedies suggested without any relief. Finally I tried Foley's Kidney Cure and less than two bottles completely cured me and I am sound and well."

The only people who are really fit to pray are very old bachelors and very little children.

CHEAP INSURANCE.

Many a man has been insured against Bright's disease, diabetes, or other dangerous ailments by a fifty cent bottle of Foley's Kidney Cure. CHAS. ROGERS, Druggist.

As soon as a man's liver gets out of order his wife begins to accuse him of having no heart.

"I had a running sore on my leg for seven years," writes Mrs. Jas. Forest of Chippewa Falls, Wis., "and spent hundreds of dollars in trying to get it healed. Two boxes of Banner Salve entirely cured it." No other salve so healing. CHAS. ROGERS, Druggist.

Some men worship their Maker more because He was able to make them than for anything else.
