Japan proclaims a war on rats. Another case of the world-wide influence of Astoria. We had hoped that other cities of the coast would follow our lead but hardly expected Japan to be won over.

In commenting upon the state of affairs in Chicago, Mayor Harrison thinks that the officials are not to blame but that a "community cannot rise above its own level." Well, Chicagoans, what do you think of that for a left-handed compliment?

While Astoria is enjoying weather which cannot be surpassed anywhere, Denver, the great health resort of the Rockies, is being afflicted with the worst blizzard for years. If Oregon doesn't increase in population rapidly it isn't because there is anything lacking in climatic conditions.

The withdrawal of martial law in the Cesar d'Alene district appears to have been premature. If the citizens of that locality are of the type which recent acts indicate, General Funston should be summoned and given full authority to catch and punish the ringleaders of the gang who have so disgraced the name of their state.

There will doubtless be general rejoicing by the San Francisco papers at the transfer of Quarantine Officer Kinyoun, whom they have persistently maligned, to another field. He may have been injudicious at times but he has certainly told the truth where those who so roundly abused him have told the contrary.

A week ago today the New York Tribune issued a special edition commemorative of the sixtieth anniversary of its establishment. The Tribune has had a wonderful history and wielded a powerful influence during that period. The foremost writers of the day have been upon its staff and as an exponent of the soundest principles of political economy and sociology it has had no equals in this country, having been held in the public esteem much as "The Thunderer" of England, the London Times, is today. The issue of last Wednesday is copiously illustrated with views of its present and past quarters, different departments and of the men who have made it a great paper.

WITH THE PARAGRAPHERS.

Governor Odell may have seriously disturbed his political peace by defying Boss Platt, but he has played a trump card for popular favor—Kansas City Star.

It is reported that the first thing Anna Held did upon reaching St. Joseph was to order ten gallons of milk in which to take a bath.—St. Joseph News.

Mr. Carnegie may object to dying rich. But he has made too many friends to permit him through any possible reverse of fate to die poor.—Washington Star.

England is buying our boots and shoes in preference to those of all other countries. This is going a long way round to corral the corn market.—Mail and Express.

After Minister Wu's visit we are still unprepared to admit that Chinese missionaries will one day invade the Occident to our everlasting confusion.—Chicago Journal.

The California prune crop is cornered. Do the grasping speculators who have executed this coup think California prunes are among the necessities of life?—Chicago Tribune.

The attention of Morocco and Turkey is respectfully called to Peru, which has just offered to pay an American indemnity, although no United States warship was lying off the coast.—Kansas City Star.

You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. De Witt's Little Early Risers cleanse the whole system. They never gripe, CHAS. ROGERS, Druggist.

There is generally as much difference between the man's story and the woman's story of the same thing as there is between a woman's bonnet and the one in the window that she tried to copy.

Spring coughs are specially dangerous unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. CHAS. ROGERS, Druggist.

When a man puts on full dress he is fully dressed; but a woman—well!

"I had piles so bad I could get no rest, nor find a cure until I tried De Witt's Witch Hazel Salve. After using it once I forgot I ever had anything like piles."—E. C. Boice, Somers Point, N. Y. Look out for imitations. Be sure you ask for De Witt's. CHAS. ROGERS, Druggist.

There are times when even a legal light gets turned down and feels put out.

"Last winter I was confined to my bed with a very cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Housman, Mount Airy, Pa. CHAS. ROGERS, Druggist.

Even the strong-willed man may have his will broken by his wife's heels.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. CHAS. ROGERS, Druggist.

Sometimes it isn't so easy to recognize the truth as it is to tell a lie.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from this than all other remedies taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs, of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. CHAS. ROGERS, Druggist.

The Lord surely doesn't exact it of any girl that she say her prayers regularly when on her honeymoon.

Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels, make them regular. CHAS. ROGERS, Druggist.

No woman's children were ever so much trouble that it influenced her younger sisters to be old maids.

Skin troubles, cuts, burns, scalds and itching quickly heal by the use of De Witt's Witch Hazel Salve. It is infallible. Be sure you get De Witt's. CHAS. ROGERS, Druggist.

Every man makes the mistake of thinking he can fool his wife as easily as he used to fool his mother.

TOD CAUSES NIGHT ALARM.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Crittenden, Ky. "It seemed so strange before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve." A DEEP MYSTERY.

It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. "I suffered for years with kidney trouble," writes Mrs. Phoebe Cheever, of Peterson, Ia., "and a lame back pained me so that I could not dress myself, but Electric Bitters wholly cured me, and although 73 years old, I am now able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at HART'S DRUG STORE.

What has become of the old-fashioned woman who made one chicken do the work of three by cooking it with dumplings?

SHE DIDN'T WEAR A MASK.

But her beauty was completely hidden by some blotches and pimples till she used Bucklen's Arnica Salve. Then they vanished as will all eruptions, fever sores, boils, ulcers, carbuncles and feline from its use. Infallible for cuts, burns, scalds and piles. Guaranteed. 25c at HART'S DRUG STORE.

A woman can never understand why there is no such thing as fashion in politics.

GIVEN UP TO DIE WITH CROUP.

Mrs. P. L. Cordier, of Mannington, Ky., writes: "My three-year-old girl had a severe case of croup, the doctor said she could not live and I gave her up to die. I went to the store and got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." HART'S DRUG STORE.

The bravest man I ever knew was terribly afraid of three things—a dog, a woman and lightning.

B. Presson, Pressonville, Kan., writes: "Nothing like Foley's Honey and Tar" is the universal verdict of all who have used it. Especially has this been true of coughs accompanying la grippe. Not a single bottle failed to give relief. HART'S DRUG STORE.

When a girl first gets engaged she never believes her mother ever could understand how she feels.

V. B. Conklin, Bowersville, O., says: "I received more benefit from Foley's Kidney Cure than from months of treatment by physicians." HART'S DRUG STORE.

A girl's training is the icing on the cake, sometimes it's a mighty different flavor from the rest of it.

The editor of the Fordville, Ky., Miscellaneous, writes as a postscript to a business letter: "I was cured of kidney trouble by taking Foley's Kidney Cure." Take nothing else. HART'S DRUG STORE.

If women were really as modest as they look, sooner or later they would all rush themselves to death.

No old bachelor's reputation is ever safe with a woman unless she thinks she has got a chance for him herself.

Geo. L. Heard, of High Tower, Georgia, writes: "Eczema broke out on my baby, covering his entire body. Under treatment of our family physician he got worse as he could not sleep for the burning and itching. We used a box of 'Banner Salve' on him and by the time it was gone he was well. The doctor said it was curing him said, 'Stick to it, for it is doing him more good than anything I have done for him.'" HART'S DRUG STORE.
