Mrs. Nation is again in jail. Yet there are those who insist that there is no justice in this country.

An American cyclist has left the crack wheelmen of Europe behind in a warmly contested race in France. And the French people say we are slow.

The Democratic party in Alabama has just closed a campaign for an amended constitution which shall provide for an educational qualification for suffrage. The party leaders have pledged themselves that no white man shall be disfranchised if the amendment is adopted. Thus the party makes another attempt to crush the hydra-headed monster of imperialism.

Notwithstanding the rejection of American meats by the British war office for the use of the army, our beef seems to be ousting the English product in London markets. A dispatch from London states that public sentiment is growing indifferent to the treatment of the troops in the field. It is evident that London epicures think English beef is good enough for soldiers' rations.

The Nehalem road should be constructed at any cost. If it cannot be completed by the county, under the supervision of Road Master Frye, with the funds which will be available for the purpose, an effort should be made to add to those funds by private subscription or otherwise. No community can prosper without a generous display of public spirit on the part of its citizens. If it is necessary to call it forth for this purpose the response should be prompt. The construction of the road will mean much to Astoria and more to the Nehalem district. The pecuniary advantage to some will be very considerable and it is not too much to ask that they contribute a portion of that amount to make the enterprise a success, if such a course should prove necessary.

TO CURE A COLD IN ONE DAY.

Take Laxative Bromo-Quinine Tablets, 25c.
Heaven deliver us from the man who titters.

You cannot enjoy perfect health, rosy cheeks and sparkling eyes if your liver is sluggish and your bowels clogged. De Witt's Little Early Risers cleanse the whole system. Try never gripe. CHAS. ROGERS, Druggist.

Failure is only endeavor temporarily off the track. How foolish it would be to abandon it in the ditch!

Spring coughs are specially dangerous and unless cured at once, serious results often follow. One Minute Cough Cure acts like magic. It is not a common mixture but is a high grade remedy. CHAS. ROGERS, Druggist.

The laboring man needs few sleeping potions.

"I had piles so bad I could get no rest nor find a cure until I tried De Witt's Witch Hazel Salve. After using it once I forgot I ever had anything like piles. De Witt's Witch Hazel Salve, N. Y. Look out for imitations. Be sure you ask for De Witt's, CHAS. ROGERS, Druggist.

Many a man with a fine head has a bad heart.

"Last winter I was confined to my bed with a very bad cold on the lungs. Nothing gave me relief. Finally my wife bought a bottle of One Minute Cough Cure that effected a speedy cure. I cannot speak too highly of that excellent remedy."—Mr. T. K. Houseman, Manatoway, Pa. CHAS. ROGERS, Druggist.

In business three things are necessary—knowledge, temper and time.—Feltman.

You will waste time if you try to cure indigestion or dyspepsia by starving yourself. That only makes it worse when you do eat heartily. You always need plenty of good food properly digested. Kodol Dyspepsia Cure is the result of years of scientific research for something that would digest not only some elements of food but every kind. And it is the one remedy that will do it. CHAS. ROGERS, Druggist.

What seems to be morality is often secretiveness.

"I have been troubled with indigestion for ten years, have tried many things and spent much money to no purpose until I tried Kodol Dyspepsia Cure. I have taken two bottles and gotten more relief from them than all other medicines taken. I feel more like a boy than I have felt in twenty years."—Anderson Riggs, of Sunny Lane, Tex. Thousands have testified as did Mr. Riggs. CHAS. ROGERS, Druggist.

The woman who boasts of her modesty thereby loses much of it.

Those famous little pills, DeWitt's Little Early Risers, will remove all impurities from your system, cleanse your bowels, make them regular. CHAS. ROGERS, Druggist.

A boy should be trained to indulge in athletics of some kind, so that a habit of taking exercise may be established; for this, once acquired, is seldom neglected, even as years advance.

Skin troubles, cuts, burns, scalds and chafing quickly heal by the use of De Witt's Witch Hazel Salve. It is infallible. Be sure you get De Witt's, CHAS. ROGERS, Druggist.

My recipe for self-preservation is excellent. I am a very temperate man and have always been so. I have taken care of myself, and as I have a good constitution, I suppose that is the reason I am so well.—David Dudley Field.

TOT CAUSES NIGHT ALARM.

"One night my brother's baby was taken with Croup," writes Mrs. J. C. Sinder, of Crittenden, Ky., "it seemed it would strangle before we could get a doctor, so we gave it Dr. King's New Discovery, which gave quick relief and permanently cured it. We always keep it in the house to protect our children from Croup and Whooping Cough. It cured me of a chronic bronchial trouble that no other remedy would relieve. Whatever I have tried to do in life I have tried with all my heart to do well; whatever I have devoted myself to I have devoted myself to completely; in great aims and small I have always been thoroughly in earnest.—Dickens.

A DEEP MYSTERY.

It is a mystery why women endure backache, headache, nervousness, sleeplessness, melancholy, fainting and dizzy spells when thousands have proved that Electric Bitters will quickly cure such troubles. I suffered for years with kidney trouble," writes Mrs. Phoebe Cherley, of Peterson, Ia., "and a lame back pained me so that I could not dress myself, but Electric Bitters wholly cured me, and although 32 years old, I now am able to do all my housework." It overcomes constipation, improves appetite, gives perfect health. Only 50c at HART'S DRUG STORE.

A Kansas City crook paid a lawyer \$21 for getting him sent to jail for a year. If he had got more than a year's "time" the lawyer would have got no fee. Time, it appears, was of the essence of the case and it was up to the lawyer to secure a discount for cash.

GIVEN UP TO DIE WITH CROUP.

Mrs. P. L. Cordier, of Mannington, Ky., writes: "My three-year-old girl had a severe case of croup, the doctor said she could not live and I gave her up to die. I went to the store and got a bottle of Foley's Honey and Tar, the first dose gave quick relief and saved her life." HART'S DRUG STORE.

It is diverting to see the surprise of a lady killer when "turned down."

P. Presson, Princeton, Kan., writes: "Nothing like Foley's Honey and Tar" is the universal verdict of all who have used it. Especially has this been true of coughs accompanying la grippe. Not a single bottle failed to give relief. HART'S DRUG STORE.

There are more spinsters to be chosen than the worldling would believe.

"STICK TO IT."

Geo. L. Heard, of High Tower, Georgia, writes: "Eczema broke out on my baby, covering his entire body. Under treatment of our family physician he got worse as he could not sleep for the burning and itching. We used a box of 'Banner Salve' on him and by the time it was gone he was well. The doctor seeing it was curing him said, 'Stick to it for it is doing him more good than anything I have done for him.'" HART'S DRUG STORE.
