GREAT LABOR BATTLE NOW ON

President Shaffer Issues Strike Order for August 10.

KESULT HARD TO FORETELL

Much Suffering Looked for and Bloodshed and Death Are Possible and Fenred Call Includes All Amalgamated Men.

PITTSBURG, Aug. 6 .- After weeks of reliminary skirmishing at last the great battle between the gigantic steel trust Workers is fairly on. The long talked of general strike was issued by Presient Shaffer this evening to take effect after the last turn of the mills on Au-

What the result will be no man can foretell, out judging by the expressed very last diich. Much money will be lost, thousands upon thousands of men for and even bloodshed and death are possible and feared.

The strike call includes Practically all Steel Corporation's employ not now or strike. It was issued from the Amalgamated Association headquarters and mailed to all amalgamated lodge officials who are expected to call their men to

The order of President Shaffer is exsected to swell the number of idle men to over 100,000 at the end of the week.

SAN FRANCISCO BOX

MAKERS WALK OUT Four Hundred Join the Forces of the Idle-Shots Exchanged Between Teamsters.

SAN FRANCISCO, Aug. 6.-The only development of importance in the labor of the strikes is concerned, was the walkout of more than 400 union box makers. The men claim that they were often urged to sign an agreement which that they decided to no longer brook the attitude of their employers and to join the forces of the idle.

Mayor Phelan declares that as far as at an end, he having done all that he could to bring about a conference.

Tomorrow morning the sand teamsters, some 500 in number, will refuse to work.

Samue Cole, a striking reamster, was whot in the breast and badly injured by Henry Davis, a non-union teamster. According to Cole's story he was arguing with Davis, who drew a revolver and shot him. J. Watt, a non-union teamster when going to work was met by a union man who tried to dissuade him. On Watt's refusal the union man Wat: drew a pistol and shot at his assaliant. While Watt was watching the man run, two shots were fired by some me in the crowd at Watt.

RECORD FOR LIFE-SAVING.

Chicago Lad Twice Saves a Man Bent on Committing Suicide,

CHICAGO, Aug. 6.-Having to his the necessity of a change of policy. redit fourteen lives saved from drowsing Arthur Eagan, who is aged but I years, last evening saved A. J. Baker would-be suicide, twice although the man struggled to be allowed to die. After the first rescue Baker fought savagely and finally threw his rescuer off ind fumped into the lake a second time.

Eagan is an expert swimmer. His dm is to become a nember of a lifeaving crew and he according took up is headquarters this year at the Barry Beach, where all his rescues have been made.

GORMAN'S POLITICAL FATE

ROBBERS CARRY OFF A FORTUNE

at Vallejo.

\$340,000 IN GOLD WAS STOLEN

Vault Was Entered From Outside and Four Ingots of Refined Gold Were Taken-No Clue to the

VALLEJO, Cal., Aug. 6.-The Selby vening from Alaska en route home last night in gold bricks. The obbers Admiral Schley, if the decision was has, a shaft first about three feet beep. They case entirely free from outside influ- striking upward, bored a bole in the one thoroughly familiar with the system strongroom floor. The hole was in the "But," he said, "there is a clique in shape of a manhole of a boiler. Part of inframed as to the construction of the he navy which Sampson built up and the hole had been bored two months ago, vault. ostered during his nine years residence it is thought, and the last one was bored Washington, D. C., that so far has last night. Through that hole they used its influence in his behalf and will took the gold bricks and carried them ontinue to do so as long as it lasts, to the shore near the tunnel east of man or several men must have been As a member of the senate it came to the works, where they were evidently

> noise in the strongroom, and he thought must be a ghost. The others ridiculed him for his superstition, but an investigation was made to see what caused the

The entrance to the tunnel was covered with a frame, over which the employes of the smelter passed repeatedly every day, but no one seemed to notice

The police of San Francisco and all of stock farm Rancocas, bequeathed to the bay cities are at work on the case, Mrs. Allien. Mr. Lorillard is quoted as but so far there is not the slightest clew saying in a special to the Herald from to the robbers. The work was that of skilled men, and evidently elaborate found in the hole. "The executors have put the property plans had been carried out without a n Mrs. Allien's hands, as directed by hitch. The thieves got all the bullion the will, and there their obligations in the vault, leaving behind only two cease. Not only the farm, but the bricks, which they dropped on the shore hope later to make the announcement American occupation, the United States horses thereon as well and those now in their haste. Only one day's accuworks. Yesterday's run was unusually 000." heavy, and the gold was to have been

shipped back to San Francisco today. The tunnel that the robbers excavated gave them plenty of room in which to work. It is supposed that the dirt from WASHINGTON, Aug. 6.-President the tunnel was taken out at night and McKinley has sent the following mes- dropped in the bay. The first report he is concerned, peace negotiations are sage to Emperor William, of Germany, stated that the tunnel was 200 or 3000 on the death of his mother, the Dow- feet long, but according to late advices, it is only about ten feet in length. The "I learn with deep sorrow of the death shaft was started close to the wall, of your majesty's beloved mother, the which was sunk below the foundation. Dowager Empress Frederick. Her noble From there it was only a short distance

It is thought that the men who commy own I tender to your majesty heart- mitted the robbery took their plunder away in a launch and made direct for San Francisco. There are plenty of other places, however, where they could have gone-either up the Sacramento river or to the shore of any of the numerous bays.

Following is the list of the property stolen: Four fine gold bricks all num-1236, 1190 ounces and a fraction; No. 1237, 330 ounces; No. 1238, 1123 ounces a fraction, also 10,000 ounces of gold in Boston Man Designs a Relay System various shapes and a little silver. The gold in the bricks is worth \$20 an

ABSOLUTELY NO CLEW.

Nothing Known Regarding Identity or Number of Robbers

SAN FRANCISCO, Aug. 6 .- "It is the poldest robbery in the history of the state," said Chief of Derectives Stymour sued by the need of the Chinese Reform this afternoon, "and from all informabers. In fact, we do not know whether five. The probabilities are, however, emporor of China. It will affect several that more than one man was concerned of 50 miles repeating and foregring

> "We have taken all precautions to expture the robbers. Telegrams have seen sent to every sheriff in the central part of the state ordering sim to search for the missing gold, to everhauf every oat and steamer within his jurisdic tion, to search every railroad train and stage coach passing through his county and to examine every one taking passage at different railroad stations throughout the state. On the whole, I believe the chances are good for capturing the robbers,"

GOLD WEIGHED 12,000 POUNDS.

Several Trips Required to Carry Bullion to Bont.

VALLEJO, Cal., Aug. 6 .- An official of the Selby Smelting Works made the ficially announced that the transpor following statement to a representative Meade will sail for Manila. August 6. of the Asociated Press regarding the and the Sheridan will sail September
