CHOICE bed sets in Irish point lace, or tamboured, embroidered muslin, should be washed with Ivory Soap to preserve their beauty. If they are of an ecru tint, a little strong coffee should be added to the rinsing water. The vegetable oils of which Ivory Soap is made fit it for many special uses, for which other soaps are unsafe and unsatisfactory.

IVORY SOAP IS 99 1/2 PER CENT, PURE.

MUST BE A JOKE.

Ways and Means Committee to Fix Printing Prices.

Councilman Briz, the only surviving member of the old ways and means committee, which made so much trouble for itself over the city advertising, last night introduced a somewhat freakish ordinance affecting the matter, and embodying the recommendations of the committee. The ordinance authorizes the new ways and means committee to enter into contract with the Herald Publishing Company for printing those city notices which are to be published weekly, the figures being 25 cents a square (twelve lines) for the first insertion and 15 cents a square for each subsequent insertion. The ordinance further authorizes the committee to advertise in the weekly publications for bids for printing those notices which must be printed in a daily paper. The advertisement is and there'll be a general mix-up. It

is inserted three times and the committee is empowered to reject any or all bids. If a reasonable offer shall not be presented, then the committee may not be put to a guess, the term "reasonable" is defined in the measure, which specifies that the maximum price for printing daily notices must not exceed \$1 a square for the first insertion and 50 cents a square for each subsequent insertion. If the bids should be in excess of the figures named, they must be rejected. The ordinance is somewhat defective, however, in that it does not make provision for compelling the daily papers to accept its terms. When it comes to asking bids for notices to be printed daily, the Budget, News and Astorian may timidly demand \$20 a square for each insertion. The committee may reject the bids, but this will not help the situation, for the reason that there are only three dailies here and a better bid will not be forthcoming. So the notices will not be published and the improvements will not be made. It is also interesting to note that the

ways and means committee now proposes to pay more for the city advertising than would have been paid had the offer of the Budget been accepted. This is the kind of economy that is disastrously practiced, and it is not at all reasonable to suppose that a level-headed council will pass the Briz ordinance.
