The Astorian guarantees to its advertisers the largest circulation of any newspaper published on the Columbia river.

Too much praise cannot be bestowed on the city council for its prompt action last Monday night in the Clatsop Mill matter. A new sawmill added to the resources of Astoria with a capacity of 75,000 feet daily and a payroll of nearly \$9,000 a month is of no little importance. The means to be employed in the construction of the mill, which is to be begun at once, is a great immediate factor in giving benefit to the city. The promoters of the enterprise announce that they will patronize local machine shops and foundries where all things are equal, and will also employ local laborers, both skilled and unskilled, where they can be obtained, and with all this taken together Astoria looks forward to the matter with confidence. The further fact that the capital to be invested is from the outside is also regarded as of more consequence to the commercial interests of the city. The planting of a sum amounting to nearly a hundred thousand dollars in a city of the size of Astoria is not to be considered as among the small things. To the city's commercial growth it is a clear gain, and is calculated to encourage outsiders to look this way and grasp some of the opportunities that are ripe here upon every hand, and only need the keen sightedness and public spirit of good business men to grasp them. After the matter was up to the council no one doubted the result, as they are men who have the interests of Astoria at heart in every sense of the word.

The sheriff as tax collector turned over to the county treasurer yesterday afternoon more than \$97,000, the collections for taxes received up to last Saturday night. This showing is a good one and indicates that the county is in good financial condition. This is always the case when taxpayers are in good condition. The future of Clatsop county looks bright indeed, and with the many things afoot for Astoria, she is not to be left behind in the general onward stride.

There has been a sort of epidemic the past week in smallpox scares, murders and suicides, but these things occur in all lively business centers, and they are expected to clear away in a few days and the conditions assume their normal standing.

A collection is now being taken up to bury the body of Gabriel Jarvi, the murdered man. While his life has been such that his people feel that he has forfeited all the consideration they should have held for him from the standpoint of citizenship, yet it shows a good spirit among the people to give him a decent burial.

When any politician or anyone else speaks of the American press being "manipulated" in any special interest he is talking rank nonsense. It may be possible to manipulate a few newspapers, but there is no special interest on earth big enough to dictate the policy of the American press.

It is the stagnant water that breeds the noxious pestilence, and it is the sluggish and undisciplined body that proves the most fruitful of evil propensities.

SO NERVOUS I COULD NOT SLEEP.

When there is disease of the delicate female organism, it is only a question of time until the general health becomes undermined. Nervousness, sleeplessness, loss of appetite and "sinking spells" produce suffering almost indescribable. There can be no restoration of the general health until the local health of the womanly organism is re-established. Dr. Pierce's Favorite Prescription establishes regularity, dries offensive drains, heals inflammation and ulceration and cures female weakness. It encourages the appetite, tranquilizes the nerves and induces refreshing sleep. You would be surprised if you could have seen me when I commenced taking Dr. Pierce's medicine and could see me now. I feel like a new person. Since taking Dr. Pierce's medicine I can sleep all night and never get up tired in the morning; can eat anything and it doesn't hurt me. Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

The lightest effects in hair decoration are the butterfly bows, sprinkled with finely cut rhinestones or the smallest spangles.

PRACTICALLY STARVING.

"After using a few bottles of Kodol Dyspepsia Cure my wife received perfect and permanent relief from a severe and chronic case of stomach trouble," says J. R. Holly, real estate insurance and loan agent, of Macomb, Ill. "Before using Kodol Dyspepsia Cure she could not eat an ordinary meal without intense suffering. She is now entirely cured. Several physicians and many remedies had failed to give relief. You don't have to diet. Eat any good food you want, but don't overload the stomach. Kodol Dyspepsia Cure will always digest it for you.—Charles Rogers.

Velvet roses are among the softest effects of millinery. The blossoms are of the crushed variety, and over each colored petal rests another petal of mousseline de soie in white or a lighter shade of the color of the rose.

COULD NOT BREATHE.

Coughs, colds, croup, grip, bronchitis, other throat and lung troubles are quickly cured by One Minute Cough Cure. One Minute Cough Cure is not a mere expectorant, which gives only temporary relief. It softens and dissolves the mucous, draws out the inflammation and removes the cause of the disease. Absolutely safe. Acts at once. "One minute cough Cure will do all that is claimed for it," says Justice of the Peace J. Q. Hood Crosby, Miss. "My wife could not get her breath and was relieved by the first dose. It has been a benefit to all my family."—Charles Rogers.

Chicago, with her usual tact, is already notifying Prince Henry through the press how much it cost her to entertain him.

A South Carolina editor says: "After all, there's only one Ben Tillman." Good heavens, man, isn't one enough?

A SEVERE COLD FOR THREE MONTHS.

The following letter from A. J. Nussbaum, of Batesville, Ind., tells its own story. "I suffered for three months with a severe cold. A druggist prepared me some medicine, and a physician prescribed for me, yet I did not improve. I then tried Foley's Honey and Tar, and eight doses cured me." Refuse substitutes. Hart's drugstore.

Kansas has done the handsome thing. They admit down there that Prince Henry looks like General Funston.

WOULD SMASH THE CLUB.

If members of the "Hay Fever Association" would use Dr. King's New Discovery for Consumption, the club would go to pieces, for it always cures this malady—and Asthma, the kind that baffles the doctors—it wholly drives from the system. Thousands of once-hopeless sufferers from consumption, Pneumonia, Bronchitis owe their lives and health to it. It conquers Grip, saves little ones from Croup and Whooping Cough and is positively guaranteed for all Throat and Lung troubles. 50c. \$1.00. Trial bottles free at Hart's Drug Store.

Probably Prince Henry figured it that Boston, after Chicago, would be a good way to "taper off."

FO THE COMPLEXION.

The complexion always suffers from biliousness or constipation. Unless the bowels are kept open the impurities from the body appear in the form of unsightly eruptions. De Witt's Little Early Risers keep the liver and bowels in healthy condition and remove the cause of such troubles. C. E. Hooper, Albany, Ga., says: "I took De Witt's Little Early Risers for biliousness. They were just what I needed. I am feeling better now than in years." Never grip or distress. Safe thorough and gentle. The very best pills made. CHAS. ROGERS.

Friendship delivers us from selfishness, strengthens us in the hour of temptation. It is a shield in the days of success, a help in the hour of trouble.

COUGH SETTLED ON HER LUNGS.

"My daughter had a terrible cough which settled on her lungs," says N. Jackson, of Danville, Ill. "We tried a great many remedies without relief, until we gave her Foley's Honey and Tar which cured her." Refuse substitutes. Hart's drugstore.

It is possible to make Jesus Christ too much of a God and not enough the divine man who lived his divinity among men as an evidence that God can dwell and work among men.

RAW OR INFLAMED LUNGS.

Yield rapidly to the wonderful curative and healing qualities of Foley's Honey and Tar. It prevents pneumonia and consumption from a hard cold settled on the lungs.—Hart's drug store.

The church has not yet reached to the full doctrine of Jesus Christ, but the day is coming when the test of church membership shall be whether a man loves his fellow man.

Foley's Kidney Cure makes the kidneys and bladder right. Contains nothing injurious. Hart's drugstore.

The best men of each age have regarded the fear of the Lord as the best wisdom, but there have been different sects, each fulfilling the needs and ideals of its age, laying stress on the different points of religion.

LOCKJAW FROM COBWEBS?

Cobwebs put on a cut lately gave a woman lockjaw. Millions know that the best thing to put on a cut is Bucklen's Arnica Salve, the infallible healer of Wounds, Ulcers, Sores, Skin Eruptions, Burns, Scalds and Piles. It cures or no pay. Only 25c at Hart's Drug Store.

If we are not Christians in the enlightenment of today, God will hold us responsible according to our light. If we are not forgiven, and hence have the forgiving spirit, we are self-men, not Christians, Christ-men.

CAN'T KEEP A SECRET.

The splendid work of Dr. King's New Life Pills is daily coming to light. No such grand remedy for Liver and Bowel troubles was ever known before. Thousands bless them for curing Constipation, Sick Headache, Biliousness, Jaundice and Indigestion. Try them. 25c at Hart's Drug Store.

The distribution of the beautiful in daily life unconsciously is an incentive toward beautiful thoughts and a beautiful character, and a barrier against ugliness of mind and deformity of character. Because the moral background of our world is whiter and purer than ever before, the lines of corruption are now assuming unwonted hues of ugliness.—Rev. Dr. H.

SURGEON'S KNIFE NOT NEEDED.

Surgery is no longer necessary to cure piles. De Witt's Witch Hazel Salve cures such cases at once, removing the necessity for painful and expensive operations. For scalds, cuts, burns, wounds, bruises, sores and skin diseases it is unequalled. Beware of counterfeiters.—Charles Rogers druggist.

It is perfectly possible for a nation to become kind-hearted as well as it is for an individual to become so. Argument and sophistry can harden our national heart.—Rev. F. Burgess.

PNEUMONIA FOLLOWS A COLD.

But never follows the use of Foley's Honey and Tar. It stops the cough, heals and strengthens the lungs and affords perfect security from an attack of pneumonia. Refuse substitutes. Hart's drug store.

According to experiments conducted by H. Janssen on Mount Blanc it is not necessary to erect poles for stringing telephone and telegraph wires in snow-covered countries. If the snow is several inches thick it serves as a good insulator; the wires can simply be laid down and be ready for the transmission of the messages.

FOLEY'S HONEY AND TAR.

Cures coughs and colds. Cures bronchitis and asthma. Cures croup and whooping cough. Cures hoarseness and bronchial troubles. Cures pneumonia and la grippe. Hart's drugstore.

His selfishness in every instance that makes the hard-hearted man. He comes to regard himself in a class by himself, and by his reasoning, things not allowable for others are permissible for him.

La grippe coughs yield quickly to the wonderful curative qualities of Foley's Honey and Tar. There is nothing else "just as good." Hart's drugstore.

The desire that every town man has to some day live on a farm is really due to a longing to get away from the neighbors.

DANGER OF PNEUMONIA.

A cold at this time if neglected is liable to cause pneumonia which is so often fatal, and even when the patient has recovered the lungs are weakened, making them peculiarly susceptible to the development of consumption. Foley's Honey and Tar will stop the cough, heal and strengthen the lungs and prevent pneumonia. Hart's drug store.
