TIMID GREEKS.

NEW YORK, April 22.—Of the 5000 immigrants who have just arrived in the storages of the liners Patria, Smyrle, Zealand and Gasconne, there were 400 in the latter vessel who were not sure of the final destination until they saw the American flag over the forts at the Narrows. These immigrants were from Greece and a rumor having spread among them that they were about to be kidnapped and shipped to South Africa to help England in the Boer war they had flatly refused to go on board the steamship after their arrival at the quay in Havre from Marseilles on April 9. In vain the officials pleaded, but not until two attaches of the Greek consulate at Havre arrived could quiet be restored. There were many who refused to believe and the company's agents refunded their passage money.

CATARRH

The treatment of Catarrh with antiseptic and astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus. Taking cold is the first step towards Catarrh, for it checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected. S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. Write us about your case and get the best medical advice free. Book on blood and skin diseases sent on application. THE SWIFT SPECIFIC CO., Atlanta, Ga.
