She has plenty to eat, plenty to wear, and he does everything he can, he thinks, to make her happy; and in spite of that, she sits down and cries softly to herself, apparently without any cause or reason. But there is a cause, and that cause is some disorder or disease of the delicate womanly organism. Unhealthy drains have taken away the vital force. Inflamment of New York seized a quantity of stuff besing sold for baking powder have taken away the vital force. Inflam-mation is fretting the nerves of the whole body. If women did but under-stand the intimate relation of the gening effective means to prevent the introduction into our marketsof injurious eral health to the local health of the delicate womanly organs, they would realize that the quick way to establish the general health is to cure the local' pound, there is a great temptation for disorders. **COULD SOARDELY WALK.** "For the sake of poor, suffering women, I feel it my duty to inform you of the great benefit your medicine has given me," writes Mrs. Calife Bowles, of Watts. Iredell Co., N.C. "I was in a miserable condition when I wrote to you. I had uterine disease so had I could scarcely walk and suffered such dreadful misery I hoped to be relieved by death. You wrote to me to take your 'Favorite Prescription' and I have taken eleven bottles of it, and two of your Pleasant Pelleta. I am entirely well and feel like a new woman. I feel thankful to God and to Doctor Pierce for the blessings I now enjoy. I have a fine, big boy, two mouths old and never got along as well in my life. I can't praise your medicines enough."

NO USE FOR DOOTORS.

"About five years ago I had very poor health,"
writes Mrs. B. H. Whalen, of Holden, Johnson
Co., Missouri. "After doctoring four years with
our town doctors they gave my case up; said
they had done all they could. I had been confined to my bed half my time; the other half
could hardly drug around. I had such pains in
my back and abdomen I could not stand on my
feet for more than a few minutes. My feet
were cold or burning, and my periods came too
orden. The doctors said I! was change of life,
so, as I had heard of Dr. Pierce's medicines, my
husband got me a bottle of 'Favorite Prescription.' I took it and it helped me in some ways,
so I wrote to you and followed your advice.
I commenced 'Favorite Prescription,' Golden
Medical Discovery' and the 'Flesant Pelleta,'
as I was so constipated all the time and pills
would weaken me so that I would have to go to
bed. To the great surprise of everybody I got
well, and when I met my friends they would
say, 'I never thought you would be kere now.'
But I can say it was your medicine, which so
doubt is the best in the world. Have had so
use for doctors since I tried your medicine."
