Unless are weeds. they are kept down, they divert the nu-trition which the

soil provides from the growing crops and ruin their productiveness. Diseases are to the body what weeds boiler room at Post Hospital, Fort Ste- are to the soil. They divert the nutrivens, Oregon, and covering boller with tion which is necessary to sound health, plastic asbestos or air cell covering, and the body, instead of being strong

and hardy, drags out a sickly existence. When the stomach is diseased, and the other organs of digestion and nutrition are involved with it, there is a constant loss of nutrition by the body. The stomals for work at Post Hospital, Fort ache and its allied organs are not able to convert the foods into nourishment, and hence the body and its several organs are deprived of the necessary elements of Andrew Asp, vitality. What is known as "weak" heart or "weak" lungs, "weak" nerves and other forms of so-called weakness, are generally caused by "weak" stomach, When the stomach and the other organs of digestion and nutrition are cured, then the other diseases are cured with it. Dis-

eases which are caused by a diseased condition of the stomach are cured through the stomach. Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and its associated organs of digestion and nutrition. It cures through the stomach diseases of heart, lungs, liver and other organs. It in-creases the activity of the blood-making glands, so that the whole body is nour-ished by an abundant supply of pure blood, rich in the bright red corpuscles

There is no alcohol in "Golden Med ical Discovery" and it contains neither opium, cocaine, nor any other narcotic. It is strictly a temperance medicine. Persons suffering from chronic forms

of disease are invited to consult Dr. Pierce by letter free. All correspondence strictly private. Address Dr. R. V. Pierce, Buffalo, N. Y.

### Suffered for Years.

"My gratitude to you and your 'Golden Medical Discovery' is so great," writes Mr. Ross Martin, of Arice, Mason Co., West Virginia, "that I am at a loss to find words to express my true feeling. I had suffered for a number of years with lung and throat troubles, and doctored with specialists, but got no better. Then I decided to try Dr. Pierce's Golden Medical Discovery, and after using it I was greatly relieved. I have all faith that it has saved my life.

"I have one of your medical books and think it a grand work."

#### Torpid Liver Gured.

"I was a sufferer from torpid liver for over a year," writes Mrs. Nora Willis, of Wheatfield, jasper Co., Ind., "and could not sleep, nor eas but very little, and then it would cause me great distress. I tried several doctors but got no relief. Was advised by a friend to write to Dr. Pierce, which I did, and in a few days I received a letter advising me to take his "Golden Medical Discovery" and also his "Pleasant Pelleta.' After I had taken only half a bottle I was greatly improved. I only look three bottles of the 'Pelleta,' and, thanks to Dr. Pierce and his wonderful medicine, I am as well as ever in my life, and feel that life is worth living after all. "Last winter I took a severe cold which resulted in pleurisy. Tongue can not tell what I suffered. For two nights and two days I could not move without it nearly killed me. I told my husband I could not endure another night of suffering. The weather was so cold and stormy that it was almost too bad for any one to go siz miles to town, but he went, and got a bottle of Dr. Pierce's Extract of Smart-Weed, which gave me instant relief. I can say that for all palns that I have tried it for it has worked like magic. We keep a bottle of the 'Smart-Weed' in the house all the time. I cannot thank Dr. Pierce enough for what he has done for me."

Constipation has almost countless con sequences. Dr. Pierce's Pleasant Pellets cure constitution and cure its consequences. They should always be used with "Golden Medical Discovery," when the use of a laxative is indicated. SUITS OUR CLIMATE

The rapidly increasing use of shingles as covering for the walls of buildings, both to keep out the weather and for ornamental purposes, makes s DRAYING AND EXPRESSING great demand for a shingle stain which preserves the wood, prevents moss, and retains a fresh, handsome appearance. Particularly is such the case in damp climates. The need is well met in perfect article made right here in Astoria, Cutbirth's Creosote Shingle Stains are penetrative, preservative, handsome and durable.
