PORTLAND, June 2.—The election in Oregon was held today for state officers, two congressmen and members of the legislature, which will elect a United States senator to succeed Joseph Simos. At midnight the scattering returns indicate the election of George E. Chamberlain (Dem.) for governor. The entire Republican state ticket with the exception of governor is elected by from 500 to 12,000, and Thomas H. Tongue and J. W. Williamson are elected to congress by large majorities. W. J. Furnish, for governor, is running far behind his ticket in nearly every county. The legislature will be Republican by a safe majority, but impossible to make accurate estimate at present. George H. Williams is elected mayor of Portland.

Incomplete returns from 19 precincts in Portland are:
Chamberlain, 406; Furnish, 360.
Williams, 421; Inman, 346.

At 11:30 p. m. indications are that Chamberlain is elected by a small majority, though the result may be changed by later returns.

Both Republican congressmen have overwhelming majorities. Williams is undoubtedly elected mayor of Portland.

PORTLAND, May 3.—1:45 P. M.—Incomplete returns of all but two precincts in Portland give Chamberlain 1268; Furnish, 1126. If this ratio keeps up Chamberlain's majority in Multnomah county will be about 1000. For mayor of Portland at this hour, Williams, 1130; Inman, 817.

(A telegram from state Republican headquarters received since the foregoing announces that Furnish is the governor-elect of Oregon.—Editor.)

NO VICTORY.
WILKESBARRE, Pa., June 2.—The Order of the United Mineworkers of America calling out all engineers, firemen and switchmen employed at the collieries where the eight-hour day with the present wages was not granted, went into effect today and a majority of the men obeyed the order. Neither side can claim victory at this time because the struggle on this phase of the anthracite coal miners' strike has just been opened. The real test of whether or not mine pumps shall be manned will be given tomorrow.

AROUSING NO INTEREST.
WASHINGTON, June 2.—Little interest either on the floor or in the galleries was manifested in the senate debate on the Philippine government bill today. At two or three stages it died of inanition.

Mason in a vigorous speech differed from the majority in the treatment proposed for the Filipinos. He urged that no reason existed for according them a treatment different from that accorded the Cubans, and strongly advised that they be accorded the right to govern themselves.

DECREASE IN CORPORATIONS.
NEW YORK, June 2.—In its compilation of new corporations for May the Journal of Commerce shows that new companies having a total capitalization of \$284,000,000 were authorized during the month to do business. There is a decrease of \$15,000,000 compared with April. As usual New Jersey heads the list with \$121,050,000.

WASHINGTON ODD FELLOWS.
WHATCOM, Wash., June 2.—The grand encampment of the Odd Fellows, the grand assembly of the Rebekahs and the grand lodge, Odd Fellows, in the state of Washington convened this morning. The grand encampment

elected Edwin S. Isaacs, Walla Walla, grand representative, and H. W. Lueders, of Tacoma, grand patriarch. The Rebekahs elected Mrs. Ellsperma, of Tacoma, grand warden.

MAN FROM KANSAS.
Thinks Helen Gould is His Wife and Had to Be Locked Up

NEW YORK, June 2.—A man wearing a volunteer soldier's silver shield with two crossed bars and bearing the inscription "J. H. Anderson, Captain Company K, Fifth Indiana Volunteer Cavalry," has been arrested and is being held at White Plains pending an examination by the authorities for annoying Helen Gould. Anderson has written Miss Gould dozens of letters in which he declares he married her ten years ago. The prisoner is 64 years of age and says his home is in Kansas.

NOTHING DONE.
PITTSBURG, Kan., June 2.—The attempted conference between miners and operators set for today failed in its purpose on account of the absence of the operators. Another meeting will be held tomorrow, at which it is hoped the disposition of a new scale may be had.

TAFT IN ROME.
He Will Be Received By Secretary of State.

ROME, June 2.—The illness of Governor Taft of the Philippine islands, who is suffering from tonsillitis is not considered serious. He is confined to his room by a slight fever which accompanies his sore throat.

SUPERB GARDEN PARTY GIVEN.
ROME, June 2.—An imitation "Lourdes Grotto" was inaugurated in the Vatican Gardens yesterday. A superb garden party was given, which was attended by the pope in state. His Holiness rode in an old six-horse berlin and was surrounded by the mounted noble guards. The court appeared in mediaeval costumes and for the first time the ladies were allowed to wear afternoon toilettes.

WILL RECEIVE TAFT.
LONDON, June 2.—Cabling from Rome the correspondent of the Daily Chronicle says that Cardinal Rampolla, the papal secretary of state, will receive Governor Taft Monday.

"I understand," says the correspondent, "from a good source that the American government wishes to deprive the monks in the Philippine islands of their immense estates, but instead of going in for spoliation pure and simple as some of the European governments have done, Washington wishes to indemnify them and President Roosevelt will request the Holy See to fix the amount of this indemnity."

WRECKS IN BLACK SEA.
LONDON, June 2.—The wrecks in the Black sea as a result of the recent heavy weather are limited to small sailing craft along the Asiatic shore. There were few fatalities.

STRIKERS AND POLICE FIGHT

Chicago Teamsters Attack Meat Wagons Guarded by Officers.

WOMEN FIERCEST FIGHTERS

Stones, Mud and Sticks Were Used by Strikers and Clubs and Revolver Butts Used by Police.

CHICAGO, June 2.—Riot and bloodshed marked the progress of the teamsters' strike today. There were numerous fights between the police and the strikers and their sympathizers. The most serious trouble occurred in Crosby street in the district known in the police circles as "Little Hell." A detachment of policemen was escorting a number of wagons loaded with meat to the distributing stations down town. A shower of stones, mud and sticks fell around the officers, bruising some of them badly. Lieutenant Collins ordered a charge into the crowd. The crowd refused to budge. A large number of women were the fiercest fighters of the lot. One policeman was knocked down with a brick and his companions drew their clubs and made war with such energy that within a few minutes the streets were filled with men with bleeding heads. The police struck down a number of men and used their clubs and revolver butts with energy and in full fight.

Tonight a serious fight took place at Twelfth and State streets. Meat was being removed from the packing house plants by two retail firms. Strikers and sympathizers climbed into the wagons and threw meat into the street. Three policemen and eight drivers fought the mob, but were being overpowered. Police riot wagons were sent to the scene. Policemen surrounded the wagons and fought back the crowds and in the scrimmage the police arrested six men. The prisoners were placed in the patrol wagon and taken to Harrison street after several fights with mobs.
