### BELIEVE TRACY TO BE SURROUNDED

Chase for Convict Renewed With  
Vigor—People Afraid to  
Walk Streets.

### GOVERNOR DISMISSES MILITIA

Coroner Is Doubtful as to Tracy  
Shooting Rawley—A Final  
Battle for Life Ex-  
pected Soon.

SEATTLE, July 4.—On roads ambushed  
and patrolled with guards, armed with  
a Winchester rifle, the convict,  
Tracy has escaped. His whereabouts  
in the district of 20 miles radius is  
absolutely unknown. Sheriff Cudihoe's  
office has been deluged with reports  
of his appearance. Each was traced  
down to its source by the posse. All  
were groundless. Neil Rawley, shot  
by Tracy, when the convict killed Po-  
liceman Breece at Fremont last night,  
died today. Sheriff Williams is not  
yet dead and has a good chance to live.

To this time Tracy has killed three  
men since his first appearance near  
Seattle Thursday morning. This has  
incited hundreds to hunt the fugitive.  
One hardware store, named to supply  
arms for the posse, has given out its  
complete stock in this line. Special  
trains are leaving into the adja-  
cent country every few hours with re-  
inforcements. Parties are dropped off  
all along the route between here and  
Bothell. At about 1 o'clock this morn-  
ing Tracy was first seen after his en-  
counter at Fremont at a house on the  
outskirts of Ballard. He shouted his  
name defiantly to the occupants and  
coolly proceeded to hitch up a horse  
and buggy. He drove away south of  
the town of Ballard in the direction  
of Seattle. The next authentic reports  
brought to the sheriff after daybreak  
this morning contained the informa-  
tion that a man had evidently slept in  
Woodland Park within Seattle city  
limits. He left the park shortly be-  
fore sunrise in his stolen rig. Though  
the suburban residents in every quar-  
ter have notified the sheriff of a  
strange man, supposed to be Tracy,  
in their neighborhood, the most reliable  
report received after that of Tracy's  
departure from Woodland Park is  
that of his appearance near Bothell,  
where yesterday's desperate encoun-  
ter was fought.

The Post-Intelligencer's staff corre-  
spondent, in a bulletin sent from Both-  
ell this afternoon, stated that the con-  
vict was reported to have been seen  
about three miles south of Bothell,  
driving on the county road. The  
posses were called in and picketed  
in a circle in the neighborhood where  
he was supposed to be. They beat the  
brush to the central point, all meet-  
ing there. Believing that Tracy had  
eluded them by some divergent path,  
leading toward Lake Washington on  
the east, Sheriff Cudihoe recalled the  
greater part of his immediate deputies  
and their volunteer helpers and pro-  
ceeded toward Seattle, establishing a  
cordon of pickets along the entire road.  
We propose to populate the entire sur-  
rounding country with armed guards  
in parties of from three to seven mem-  
bers each.

### DOUBT'S TRACY SHOT RAWLEY.

Was Neil Rawley killed by a mem-  
ber of the posse? The finding of a 38-  
caliber bullet in his body leads Coroner  
Hoye to believe that he was shot  
to death by some one other than the  
desperado, Tracy. While the coroner  
will wait until Tracy is either captured  
or killed before going into invest-  
igation, the unfortunate man was hit  
with a bullet from a gun in the hands  
of one of the party chasing the con-  
vict.

### ORDERS MILITIA DISMISSED.

SEATTLE, July 4.—Governor Mc-  
Bride ordered the state militia dis-  
missed at 8 o'clock tonight. The troops  
have been in readiness since 12 o'clock  
Thursday night, in case they would  
be needed in the pursuit of Tracy.

### SEARCHED FOR GAS LEAK.

Searcher Fatally Burned and Two Wo-  
men Buried Beneath Debris.

NEW YORK, July 4.—Two bodies  
lie beneath a mass of debris at No. 422  
North Vandeventer street as the re-  
sult of an explosion which followed the  
effort of Robert Golz to locate a leak  
in a gas meter with a lighted match  
shortly after midnight this morning.  
The body of his wife, Mrs. Martha  
Golz, and daughter, Martha, are en-

tombed in the wrecked building. Golz  
was blown from the basement through  
a grating in the sidewalk 16 feet above.  
He is now at the City hospital, burned  
from head to foot. His injuries may  
prove fatal.

Tilla Stein, a domestic, fell with the  
furniture and rafters from the second  
story and was extricated by the po-  
lice a few minutes after the explosion.  
She was unconscious and badly burn-  
ed, cut and bruised. At the hospital it  
was said that she may recover.

### RUNS INTO A WASHOUT.

Engineer and Fireman Are Crushed  
Into a Shapeless Form.

BUTTE, July 4.—A special to the  
miner from Fort Benton says that a  
heavy freight on the Great Northern  
ran into a washout at Rhine Coulee  
yesterday morning. The engine and  
tender went down a distance of 12 feet  
burying the engineer and fireman in  
the soft earth beneath the engine.  
Both bodies were crushed into shape-  
less masses.

The lateness of the through passen-  
ger saved it from destruction. The  
fast train was due to reach the scene  
of the wreck at the time the freight  
dashed into the washout, but being  
late the right of way had been given  
to the freight. Heavy rains the past  
few days have raised havoc with  
roadbeds of the railroads in this sec-  
tion of the country.

### SIGNS TREATY OF AMNITY.

Are Preparing Negotiations of Extri-  
dition Treaty.

WASHINGTON, July 4.—Secretary  
Hay has received a cablegram from  
Minister Bellamy Storer, at Madrid,  
announcing the Spanish minister of  
foreign affairs and himself have signed  
a treaty of amity between the United  
States and Spain. The text of the  
treaty will not be made public, but  
in general terms it is one of the stand-  
ard treaties of amity, commerce and  
navigation, which have been used by  
the United States government with but  
little modification for the last few  
years.

### Mr. Storer is also engaged in the negotiation of an extradition treaty.

### CHOLERA RAGES IN CHINA.

Three Hundred Men Have Died in a  
Single Night.

LONDON, July 4.—Special dispatches  
received here from Singapore, Straits  
Settlement, declare that cholera is rav-  
aging an expedition of 10,000 men  
which was sent up the Batang Lupar  
river in the territory of Sarawak, Bor-  
neo, to punish the head-hunters.

The dispatcher says that 300 of the  
expedition died in a single night. In  
London, however, nothing is known of  
such an expedition as the Singapore  
messages refer to.

### CHOLERA IN MANILA.

MANILA, July 4.—In Manila yester-  
day, 49 fresh cases and 33 deaths from  
cholera were reported. In the provin-  
ces the records show that 199 new  
cases and 147 deaths have occurred.  
The health officials are striving to  
check the spread of the disease and  
have asked for larger appropriations.  
General disappointment is expressed at  
the failure of congress to deal with the  
currency question.

### POSTPONEMENT OF ST. LOUIS FAIR

Is Formally Issued by Procla-  
mation by President  
Roosevelt.

### IN ACCORD WITH CONGRESS

Will Be Opened Not Later Than  
May 1, 1904, and Closed  
by December 1 of the  
Same Year.

WASHINGTON, July 4.—The presi-  
dent has issued a proclamation in ac-  
cordance with an act of congress, an-  
nouncing to the world the postpone-  
ment until April 30, 1904, of the open-  
ing of the Louisiana Purchase Ex-  
position. The proclamation says:  
"Whereas, It was declared and pro-  
claimed by the president in his procla-  
mation of August 26, 1893, that such  
international exhibition would be open-  
ed in the city of St. Louis not later  
than the first day of December, there-  
after; and,

"Whereas, Section eight of the act  
of congress, approved June 27, 1902,  
entitled 'an act making appropriations  
for sundry civil expenses of the gov-  
ernment for the fiscal year ending  
June 30, 1903, and for other purposes,'  
fixed a subsequent date for the hold-  
ing of the said international exhibition  
and specifically states that said com-  
mission shall provide for the dedica-  
tion of the buildings for the Louisiana  
Purchase Exposition in said city of St.  
Louis not later than the 30th day of  
April, 1904, with appropriate cere-  
monies, and thereafter said exposition  
shall be opened to visitors at such  
time as may be designated by said  
commission, subject to the approval of  
said commission, not later than the  
1st day of May, 1904, and shall be  
closed at such time as the national  
commission may determine, subject to  
the approval of said commission, but  
not later than the first day of Decem-  
ber thereafter.

Now, Therefore, I, Theodore Roose-  
velt, President of the United States, do  
hereby declare and proclaim the afore-  
said provision of law to the end that  
it may be definitely and formally  
known that such international ex-  
hibition will be opened in the city of  
St. Louis, in the state of Missouri,  
not later than May 1, 1904, and will  
be closed not later than December 1,  
of that year.

### DESERTED CHILDREN NOW HEIRS

Were Left in Orphans' Home 33 Years  
Ago—Will Have \$2,000,000.

NEW YORK, July 4.—John Gilmore  
Hall, adopted son of Mr. and Mrs.  
Charles T. Hall, of Arlington, N. J.,  
with three other children is believed  
to be heir to \$2,000,000 left by his father,  
who is said to have deserted four  
children 33 years ago at Creswell, O.,  
after placing them in an orphan home.  
Mr. and Mrs. Hall adopted John when  
he was five years old and brought him  
up as one of their own family. About

a year ago the young man entered the  
army and is now stationed at Fort  
Riley, Kansas.

According to information received by  
Hall, Gilmore, after placing the chil-  
dren in the orphan home went to Mex-  
ico, where he took up mining and did  
wealthy. On his death bed he told his  
partner of his children and begged him  
to take up the search for them. All  
have been found except a daughter.

### AMBASSADOR CHOATE CENSURED

Five Hundred Americans Present at  
London Fourth of July Banquet.

LONDON, July 4.—The Fourth of  
July banquet of the American Society  
in London was given at Hotel Cecil  
tonight. There was a remarkable  
manifestation of sympathy for King  
Edward in his illness and incidentally  
there were some open expressions of  
displeasure with Joseph H. Choate, U.  
S. ambassador. Between 400 and 500  
Americans were present at the ban-  
quet. Having eloquently toasted King  
Edward, Mr. Choate announced that  
in consequence of his majesty's grave  
condition, other toasts with the excep-  
tion of one to the president of the  
United States, would be omitted and  
that there would be no speech mak-  
ing. Sir Francis Greenfell proposed a  
toast to the president. After the toast  
was drunk, Mr. Choate, Sir Francis  
and other colonial officials hurried  
away to don their court dress to meet  
the Prince of Wales at the Indian of-  
fice; the other guests of the society  
remained, and in spite of Mr. Choate's  
announcement, the orator ensued an  
unusually bright series of speeches,  
which were punctuated by some openly  
expressed dissatisfaction with the ab-  
sence of the American ambassador  
and his action of discountenancing the  
speeches.

### BUT ONE BULLETIN A DAY.

LONDON, July 4.—The progress of  
King Edward continues satisfactorily.  
Beginning July 6, only one bulletin  
a day concerning his majesty's con-  
dition will be issued. This will be post-  
ed at 9 o'clock in the morning. The  
king is allowed to read a good deal  
now, and he enjoys looking at the  
newspapers.

The following bulletin was posted at  
Buckingham Palace at 8 p. m.: "King  
Edward has had a quiet day. His  
condition is satisfactory and the wound  
shows more active signs of repair."

### TAMMANY CELEBRATES.

today celebrated the 126th anniversary  
of American Independence.

### WASHINGTON QUIET ON FOURTH.

president away and congress adjourned,  
the capitol had a comparative quiet  
Fourth of July.

### CELEBRATED AT COPENHAGEN.

ican colony here celebrated the Fourth  
of July with a banquet tonight.

ception at the United States embassy.

### BREAKS WORLD'S RECORD.

DENVER, July 4.—Porto Rico, Thos.  
Stark's stallion, today broke the trot-  
ting world's record for a quarter of  
a mile against time, going the distance  
in 29 seconds, beating the quarter  
record made by Cresceus at Columbus,  
Ohio, August 2, 1901, by  $\frac{1}{4}$  of a sec-  
ond.

### MONTANA'S CAPITOL READY.

capitol was formally turned over to  
the state building commission today.

### FEARFUL COLLISION OF ELECTRIC CARS

Cars Rush Together With Fear-  
ful Velocity and Are Harled  
Down Incline.

### RUNNING AT GREAT SPEED

As a Result Fifteen Are Dead  
and Twenty-Nine Seriously  
Injured—Motorman  
Loses Control.

UTICA, N. Y., July 3.—On an elec-  
tric car near Gloversville last night  
there was a collision between two cars  
crowded with passengers, in which 15  
persons were killed and 29 injured.  
For a distance of four miles north  
of Gloversville, the Mountain Lake  
Railway, an electric road, connects  
Gloversville with a popular place of  
resort or picnic grounds. Last night  
the cars were filled with people con-  
stantly from the grounds. At 10:20  
p. m. about two and a half miles north  
of Gloversville, there was a collision  
between two cars, one bound north,  
and one bound south. They came to-  
gether head-on with a terrific velocity.  
As a result, 15 persons were killed out-  
right and 29 injured, the latter more  
or less seriously. The Mountain Lake  
Railway tracks follow the side of the  
mountain, the grade being 1000 feet in  
four miles. Coming down the incline  
the motorman of the one car carrying  
about 70 people, lost control of the  
car, which in a short distance acquired  
a frightful velocity. Then it met the  
car ascending the mountain and also  
carrying about 70 passengers. The im-  
pact was terrific, but for a few mo-  
ments neither car left the track, the  
ascend of one being overcome by the  
rush of the other, and for a distance  
of several hundred feet they went  
down the incline. Then they left the  
rails and the dead and wounded were  
hurled together in an inextricable  
mass.

### TRAVELS IN DRY GOODS BOX.

Shipped as Express From Poston by a  
Friend.

KALMAZOO, Mich., July 4.—Just be-  
fore the through American Express  
train from New York to Chicago ar-  
rived here an 18-year-old boy was  
found concealed in a dry goods box  
in the Boston express car. The box  
was tagged to Cheney, Wash. The box  
was put off here, and the boy was  
taken to jail. He gave his name as  
William Edmondson, Boston. He said  
that he had a friend ship him from  
Boston as express. The box contained  
two loaves of bread and a bottle of  
water. Edmondson was in excellent  
spirits when released.

### SMITH BILL PASSES SENATE.

NEW ORLEANS, July 4.—In the  
state legislature the Smith bill has  
passed the senate and gone to the  
governor. It bars all histories in the  
Louisiana public schools that do not  
give complete credit to Admiral W.  
S. Schley for the victory of Santiago.  
Governor Head undoubtedly will sign  
the bill.

### IRON MOLDERS GAIN VICTORY.

NEW YORK, July 4.—Organized  
iron molders of this city and vicinity  
announce that they gained a peaceful  
victory, 2200 of their number having  
been granted the nine-hour day  
through arbitration proceedings be-  
tween representatives of the union.
