Not many of these have found a place in bronze or stone where young American will see them and learn what their presence means, but the patriotic women composing the Daughters of Sons of the American Revolution have per year\$6.00 evidently registered a vow that this neglect on the part of the Nation shall

continue no longer. It is doubtless due to the efforts of these patriotic societies and others like them that congress has taken up the matter in earnest and made a betroduced in that body and passed durng the closing hours of the session providing for the erection of statues to Baron Von Steuben and Count Pulaski who are claimed to represent the friendship of Germany and the interest of Poland's royal family in and of the West.

This moves the Atlantic "Constitution" to remark that there are sevple of this country are entitled to equal consideration, and mentions I Kalb. Kosciusko, De drass: and Lafayette as among the number.

SUITS OUR CLIMATE.

The rapidly increasing use of shingles as covering for the walls of buildings, both to keep out the weather and for ornamental purposes, makes a great demand for a shingle stain which preserves the wood, prevents moss, and retains a fresh, handsome appearance. Particularly is such the case in damp climates. The need is well met in a perfect article made right here in Astoria. Cutbirth's Creesote Shingle Stains are penetrative, preservative, handsome and durable. They are put up in eight colors and every package
