The Astorian guarantees to its advertisers the largest circulation of any newspaper published on the Columbia River.

TELL THEM ABOUT OREGON.

Let the world know about Oregon and her marvelous resources. Let the state be advertised in the East and everywhere. And people will come to see and will learn that here is the one best place in the Union to find opportunities for the investment of capital and the carving out of fortunes by young men.

The plans of the Harriman system's agents to advertise Oregon deserve the hearty support of all the people. They are intelligently informed, and promise to yield results calculated to advance the prosperity of the commonwealth.

It is a theme upon which the newspapers must not fail to speak, and which must be kept before the people constantly. The management of the Harriman lines is proposing to do a great good work for the state and it will be unfortunate if the state does not appreciate the value of what is offered.

The time has come when attention is about to turn to Oregon. The people of a score of states East are beginning to hear that, somewhere out here, there are rich lands, generous mineral deposits, vast timber resources, great stock interests, and a climate that is to the climate of the East as heaven is to this climate.

Tell them more about our commonwealth. Let them know that here are opportunities. Invite them to inspect the stock of goods that Oregon offers to sell to the world. Induce excursion and individual peripatation. Get Easterners out here and attractions of Oregon will do the rest.—Eugene Guard.

Astoria is thoroughly in accord with the movement but suggests that she too be entitled to a piece of the pie.

GOOD ADVICE.

The Herald takes a splendid view on the advertising question. Of course, wide awake business men are not unaware of this fact, but it is necessary to remind some people, that the words of Kipling "Let Us Forget." In speaking of advertising it says: "Advertisers in Astoria do not seem to know how to advertise. There are some merchants, however, who do know about advertising and they select the papers from which they know they will receive the best results. A paper that is filled with dead ads in order to keep up an appearance is not a paper that will return any benefits of the advertiser."

LET US FIGHT.

Astoria has always been anxious to advertise, or help do so, the great state

Job Printing Department. Edward Prior, Manager. First-Class Up-to-Date Work. Union Labor Only. Astorian Publishing Co. Telephone 661 Astoria, Or.

of Oregon. But how can any good come if we do not first succeed in securing the rates that will induce the Easterners and homeseekers to visit us. Astoria's day has come and in order to make the most of the opportunities let the citizen join in securing our long deserved homeseekers' rates. Let this injustice be laid aside and in concert work to make the railroads come to terms. The Chamber of Commerce has started the ball rolling, let all join the fight. We are entitled to it and Astoria must secure it.

MOST IMPORTANT.

It does not matter much whether Colonel Bryan thinks or does not think that harmony can exist in the Democratic party; or that a return of the deserters would injure his party, for who won the great fight. But the important question for Astoria is the repairing of roads near the different manufacturing sites.

REDUCED RATES TO NORTH BEACH.

The O. R. & N. Co. will sell excursion tickets to all North Beach joints Iliwaco to Nahcotta inclusive, every Sunday during the season at the very low rate of \$1 for the round trip. Tickets will be good returning either by steamer Nahcotta or T. J. Potter, but only on date of sale.

SUITS OUR CLIMATE.

The rapidly increasing use of shingles as covering for the walls of buildings, both to keep out the weather and for ornamental purposes, makes a great demand for a shingle stain which preserves the wood, prevents moss, and retains a fresh, handsome appearance. Particularly is such the case in damp climates. The need is well met in a perfect article made right here in Astoria. Curbitt's Crescogin Shingle Stains are penetrative, preservative, handsome and durable. They are put up in eight colors and every package guaranteed.

Women Dread

The disfigurement caused by skin disease, even more than the tormenting irritation which is so commonly associated with it. The use of Dr. Fiere's Golden Medical Discovery generally results in a complete cure of eczema, pimples, eruptions and other forms of disease which have their cause in an impure condition of the blood.

"I was troubled with eczema from the crown of my head to the soles of my feet," writes Mrs. Ella Quirk of Cass City, Tuscumbia, Mich. "I could not walk at times, nor wear my shoes. Thought there was no help for me at least the doctor said there was none. I went to see friends at Christmas time and there heard of the good that Dr. Fiere's Golden Medical Discovery had done for them, and was advised to try it at once. For fear that I might neglect it my friends went to the village and got a bottle and made me promise that I would take it. I had been getting worse all the time. I took three bottles of the Golden Medical Discovery and ten vials of Dr. Fiere's Pleasant Pellets and used the All Healing Salve, which made a complete cure. It was slow, but true. I was taking the medicine about eight months. I would say to all who read this. Try Dr. Fiere's Golden Medical Discovery before wasting time and money."

Dr. Fiere's Pleasant Pellets assist the action of the "Discovery."
