Conditons in Cuba have been much improved since the Americans took tenth of these many very reasonable control of affairs and since they are now free to manage their own affairs the question arises as to their ability to maintain self-government. The experiment will be watched with much interest. In this case it is a worthy experiment, but if you are sickly it is not advisable to experiment with any of the many so-called health restorers that have no merit. The only way to recover your health is to perfect the digestion, keep the bowels open and the blood pure. For this purpose you cannot find a better or more reliable medicine than Hostetter's Stomach Bitters. Try it for heartburn, beiching, indigestion, dyspepsia, constipation, biliousness or malaria, fever and ague. It never fails to cure

astringent washes, lotions, salves, medicated tobacco and cigarettes or any external or local application, is just as senseless as would be kindling a fire on top of the pot to make it boil. True, these give temporary relief, but the cavities and passages of the head and the bronchial tubes soon fill up again with mucus.

Taking cold is the first step towards Catarrh, for it

checks perspiration, and the poisonous acids and vapors which should pass off through the skin, are thrown back upon the mucous membrane or inner skin, are producing inflammation and excessive flow of mucus, much of which is absorbed into the blood, and through the circulation reaches every part of the system, involving the Stomach, Kidneys and other parts of the body. When the disease assumes the dry form, the breath becomes exceedingly foul, blinding headaches are frequent, the eyes red, hearing affected and a constant ringing in the ears. No remedy that does

not reach the polluted blood can cure Catarrh. S. S. S. expels from the circulation all offensive matter, and when rich, pure blood is again coursing through the body the mucous membranes become healthy and the skin active, all the disagreeable, painful symptoms disappear, and a permanent, thorough cure is effected.

S. S. S. being a strictly vegetable blood purifier does not derange the Stomach and digestion, but the appetite and general health rapidly improve under its tonic effects. Write us about your case and get the best medical advice free. Book on blood and skin diseases sent on application.
