TROUBLES OF THEIR OWN.

How strange that Omaha papers should poke fun at Oregon for the escaping of Convict Tracy. So forgetand find that Pat Crowe proved too much for them. People who live in glass houses-well, enough said.

ADVERTISE ASTORIA.

A very important step has been taken by the Chamber of Commerce, that of issuing an illustrated book of Astoria. Oregon, especially the Eastern portion, is advertised extensively, while the City by the Sea scems to have very little done in that line. The distributing of this illustrated book is bound fairly entitled to them, the governto prove beneficial to the city, and , the sooner they are sent about the It is only the unworthy claimant, disbetter for the city.

CECIL'S DREAM.

An admirer of Cecil Rhodes says that the British empire builder dreamed of a development of South Africa which would put it so far in the forerear. Is there sufficient evidence anywhere that Mr. Rhodes in his wildest imaginings ever conceived so fantastic a vision? All Yankeeland would chuckle over the grotesque absurdity of so preposterous an idea.

Are in many respects like other ulcers or sores, and this resemblance often proves fatal, Valuable time is lost in fruitless efforts to heal the sore with washes and salves, because the germs of Cancer that are multi-

plying in the blood and the new Cancer cells which are constantly developing keep up the irritation and discharge, and at last sharp shooting pains announce the approach of the eating and sloughing stage, and a hideous, sickening cancerous sore begins its In February, 1899, I noticed a small destructive work.

No ulcer or sore can exist with-terized it but snother came and broke out some predisposing internal cause out into an open sore. I began to take that has poisoned the blood, and the open discharging ulcer, or the festering sore on the lip, cheek or other signs of the disease have been seen ing sore on the lip, cheek or other signs. spread and eat deeper into the flesh unless the blood is purified and the Cancer germs or morbid matter eliminated from the circulation. S. S. S. cleanses the blood of all decaying effete matter. It has great

antidotal and purifying properties that soon destroy the germs and poisons and restore the blood to its natural condition.
