CAUGHT AFTER FLEECING A VICTIM OF \$300.

Five Men and a Woman Arrested Charged With Confidence Game.

NEW YORK, Aug. 21.-What is said to be the biggest round-up of greengoods swindlers ever made by the federal authorities in this city was announced today. Five men and a woman were taken into custody, and an entire green-goods plant was captured. Four of the prisoners, Joseph R. Baker, Elmer Brown, S. Gottlieb and the latter's wife, were arrested in Newark, N. J., and George Brown and Thomas Henry were arrested in this city.

According to Postoffice Inspector Boyle, he has secured as complainant against the prisoners Antonio Caperess, a butcher of New Haven, Conn. who paid \$300 in cash and received green paper in return. Many conplaints of green-goods victims have reached the postoffice department recently, and the alleged "plant" was located in Newark after much work, Yesterday the inspectors saw a man come to the house in the company of Elmer Brown, the alleged "steeret." and followed by Baker, who, it is said, was the "trailer," The pair entered the house and later came out. The victim carried a miniature trunk about 10 inches long and four inches wide. The "steerer" took the victim to an express office, where the little trunk which the victim thought contained \$5000 in bills printed from stolen government plates was shipped to New Haven. Then the nispectors placed the "steerer" and the "traffer" under arrest.

The victim said he had paid \$300 for the supposed money, and was thunderstruck when the inspectors secured Milwaukee and Chicago, will to into the trunk and showed him that it contained nothing but slips of green the Northwestern agreed to print paper cut to the size of bills. A few moments after Brown and Baker had Mr. Hill proposed for the Great Northbeen arrested the "plant" was raided, and the Gorillebs were taken into ern Pacific. The reductions average custody. In the house all manner of from 8 to 12 per cent per 100 pounds green goods paraphernalia was found; circular letters, a dozen or more of the little trunks and piles of green paper. Henry and Brown were arrested last night at the ferry.

All the prisoners were arraigned today and held in \$350 ball each.

Weak lungs are made strong by the use of Dr. Pierce's Golden Medical Discovery. It cures obstinate and stubborn ghs, bronchitis, bleeding of the lungs and other symptoms which, if neglected or unskillfully treated, terminate fatally consumption. The action of Golden Medical Discovery in the curing of wasting diseases is entirely philosophic. Emaciation, and consequent loss of weight are among the most striking symptoms of what are known as wasting diseases. The body is not being adequately nourished, and the cause of this of nourishment is not lack of food lack of ability in the stomach and other organs of digestion and nutrition to prepare the food for the assimilation and nutrition of the body. Dr. Perce's Golden Medical Discovery cures diseases of the stomach and the organs digestion and nutrition, and so en-
