

FUGITIVE SENDS NOTE

TO NEWSPAPER PLEADING
FOR STATEMENT OF
HIS CRIME.

Doped Bloodhounds So They
Could Not Follow Him as
He Left Prison.

PUTTE, Aug. 27.—With officers of the state penitentiary upon his trail assisted by bloodhounds, convict Tom O'Brien, who last Friday made a daring escape from the state prison, has sent a communication to the Miner, pleading for a public statement of his alleged crime and vowing the death of Under Sheriff Dave Morgan, for his alleged perjured testimony, the convict, declares sent him to prison and wrecked his home. The document received by the Miner bears the postmark of Anaconda. The writer dates his communication from a mountain in the surrounding hills, and says he wrote his story behind a rock, dividing his time between his Winchester and his pen. The communication is a literary freak, and no question exists as to its authenticity, as the handwriting has been identified by the warden of the penitentiary and others acquainted with the criminal.

O'Brien declares his sole object in escaping from the penitentiary is to kill Deputy Sheriff Morgan, and after that is accomplished he will surrender to officers and take the consequences. In describing his escape from the penitentiary, O'Brien, who is a graduated veterinary surgeon and a trusty, worked in the stables of the prison, says he gave the bloodhounds opium so that they would be unable to track him. He also fed the warden's horse a week previous so that the animal would be in condition for his escape. O'Brien dashed by the guards mounted on a favorite race horse belonging to the warden.

Poses are now securing the country for the fugitive, but with the exception of the letter received by the Miner and another by the warden telling that official where his horse could be found, nothing has been heard of the escaped convict. O'Brien was sent up for robbery in 1901.

FEARS NEW TRUST DANGER.

German Believes American Arrogance
Is Directed Toward All Europe.

BERLIN, Aug. 27.—President Roosevelt's advocacy of government supervision of trusts has caused the Post of this city to discuss a "new trust danger." It says Germany and indeed all Europe must be on its guard. The Kreuz Zeitung in a leader on "American Imperialism," says: "American arrogance is directed not only against Germany, but against all Europe. This arrogance is the outgrowth of the puritanical belief in the God-given mission and its own invulnerable position."

ONE CENT LETTER POSTAGE.

The bill providing for one cent postage instead of two, on all first-class mail matter will not become a law, because of the loss of revenue to the government would be too great. It is good policy to guard against losses of any kind, but especially against the loss of your health. For this purpose Hostetter's Stomach Bitters should be taken, because it will strengthen the stomach perfect the digestion and keep the bowels open, thus protecting you from all sickness. If, however, you have lost your health and suffer from headache, indigestion, dyspepsia, constipation or biliousness, you need the Bitters at once, because it is a specific remedy for these ailments, and will cure you. Try a bottle and see for yourself.

SUITS OUR CLIMATE.

The rapidly increasing use of shingles as covering for the walls of buildings, both to keep out the weather and for ornamental purposes, makes a great demand for a shingle stain which preserves the wood, prevents moss, and retains a fresh, handsome appearance. Particularly is such the case in damp climates. The need is well met in a perfect article made right here in Astoria. Cutbush's Cresote Shingle Stains are penetrative, preservative, handsome and durable. They are put up in eight colors and every package guaranteed.
