S. C. TURNER, Business Manager.

With the horseless carriage and the wireless message, hope springs again that in time we may reach the wordless lecture, and the soundless plane.

Four more men have been killed in an effort to climb the Matterhorn. Their deaths were due to accident, and yet they happened on account of the "climb it."

Schwab is said to be suffering from a case of too much salary. However, there are thousands who would take the chance of being innoculated with the same disease.

Take notice that South Dakota is something besides a wheat producer. Last year that state produced more gold than any other state or territory after Colorado, California and Alaska. The exact mount was \$6,479,500. It is a good deal to the credit of a state years I suffered untold agony from to be fourth on a list of gold producers among a sisterhood that produced last vear upwards of \$78,000,000 of the yellow metal. In respect to gold, South eat heartily and have gained 25 Dakota beat Montana nearly \$2,000,000 last year; but out here we give considerable time to red metal and have tive, guaranteed cure. Only 50c at but little time to waste on the yellow | Chas. Rogers' drug stoer.

PRAISE FOR ROOSEVELT.

Europes believes and honors Roosevelt. Their many papers bespeak the highest words of praise for what they call his interpretation of Monroeism. The Spokane Chronicle also commends Solid South " back into the United States. Health and vigor marks the idea that it is time for national

There is sound sense and honesty in the principle that if the Republicans guaranteed. between the Ohio and the Gulf will not eat they should not feast at the party's board.

When the Republican party-the progressive party of the nation-can poll but 13,000 votes in the whole state of Louisiana, as it did in 1900, it is surely In order for some one to begin stirring up the animals. When the Republicans of Misissippi managed to muster but 5000 votes to support the policy of national expansion—as they did in 1906-there is certainly reason to suspect the party leaders in that state of being lacking in qualities that deserve success. When South Carolina. casts but 3500 votes for the successful candidate for president-as it did in 1900-it gives plenty of room for belief that the people of that historic state are living not in the bright and hope-

ful present, but in the embittered past, and that the few who do realize that this is the twentieth century are making little effort to rescue the state from the shadows of bygone days.

Theodore Roosevelt may not succed in capturing one more congressional district for his party by his efforts to rouse Southern Republicans to activibetter work if he is able to wake up the citizens of South Carolina, Louislana and Georgia, and persuade them that they are a port of a great, progressive nation, with policies to determine and destinies to form? It is more in the active affairs of the nation. Does the expansion of the United States mean nothing to them? Has the isthmian canal no interest? Are not share with their brothers of the fair decision of great problems now before us, and greater that may comethe problems of island government, of maintaining a sound and abundant currency, of dealing with the growing power of socialism, of extending our influence in South America, of maintaining with peace, with dignity and with untarnished honor our place as one of the mighty nations to which opportunity is given to shape the history of the next thousand years,

SAVED AT GRAVE'S BRINK

"I know I would long ago have been in my grave," writes Mrs. S. H. Newsom, of Decatur, Ala., "if it had not been for Electric Bitters. For three the worst forms of Indigestion, Waterbrash, Stomach and Bowel Dyspepsia. But this excellent medicine did me a world of good. Since using it I can pounds." For Indigestion, Loss of Appetite, Stomach, Liver and Kidney troubles, Electric Bitters are a posi-

The sort of a community depends on the worth of the individuals composing it.

SUITS OUR CLIMATE.

The rapidly increasing use of shingles as covering for the walls of buildings, both to keep out the weather and for ornamental purposes, makes a him in regard to his trying to bring great demand for a shingle stain which preserves the wood, prevents moss, and retains a fresh, handsome appearance. Particularly is such the case in damp climates. The need is well met in a elections across the Mason and Dixie perfect article made right here in Astoria. Cutbirth's Creosote Shingle Stains are penetrative, preservative, handsome and durable. They are put up in eight colors and every package
