ELLERT'S BAND COMING.

Greatest Musical Event in History of Astoria—Set for October 31.

The ladies of the Public Library Association have signed a contract with the renowned Ellert's Royal Military band to favor Astoria with a concert on the evening of October 31, in Foard & Stokes' hall.

This organization ranks equal to Sousa's band, and is one of the greatest musical combinations in the world comprising no less than 55 musicians. Its appearance in Astoria, will mark an epoch in the entertainment line. In their ambition to provide for the future of the library and to provide a treat to be appreciated, the ladies have undertaken no small task in bringing this metropolitan aggregation to Astoria and they will expect the hearty cooperation of every citizen in making the venture the success it well deserves to be. Never before has an orchestra been afforded to all to see and hear an organization of this class in Astoria, and all can well afford to give the enterprise an enthusiastic support.

After leaving Astoria the band will give two concerts in Portland, one in Salem, and then will appear for two more evenings at the Armory Hall in Portland, before leaving the state.

\$1,000,000 FOR CHARITY.

A fortune of \$1,000,000 was recently left to a charitable institution in one of our Eastern cities, and while much good can be accomplished by the careful expenditure of this sum of money, there is another agency which deserves mention because of the good it has done and the suffering it has relieved during the past 50 years, and that is Hostetter's Stomach Bitters. No other medicine can take its place as a cure for stomach, liver and kidney troubles, such as headache, belching, heartburn, indigestion, dyspepsia, constipation or biliousness. We would therefore urge you to give it a trial. The genuine must have our private stamp over the neck of the bottle. Do not accept a substitute.
