THE ASTORIAN PUBLISHING CO., P. M. MAHER. Manager.

The statement of ex-President Cleveland, published yesterday, with reference to the political situation is of interest to all Americans, regardless of vice, whether one agree with it or not, must attract respectful attention. The former president urges tariff reform which is not surprising, when his life principle is recalled. But what is most noteworthy in his expression is the statement that the reform proposal is played the political game to the det- and emphatically decline to recognize som, of Decatur, Ala., "if it had not much as the other. That moderation of the existing tariff is needed is apparent and it is to be hoped that the tion, already strong, will result in something tangible. Republicans and the part of labor than on the part of petite, Stomach, Liver and Kidney Democrats alike must pay more attention to the welfare of the people pressions and strikes are the result of lean laborers more nearly to serfdom. unnatural conditions, and all that is needed to avoid them is a wholesome desire to advance the interests of the people. Tariff reform does not mean protection to the American consumer. Many Republicans feel that moderation of party principles would be desertion of those policies which have built up the country, forgetting that issues change with the times. The free silver agitation was not without its beneficial results, for it unquestionably had the effect after the actual danger of | Northern Pacific's new game book is trial had passed, of prompting the financial interests to increase the vol- Four full pages from Seton-Thompume of gold in circulation, thus re- son's drawings made specially for this ducing the stringency that then exist- book. Send address with six cents and ed. The Democrats have dropped the money issue, explaining their action with the statement that the volume of currency is now great enough for the G. needs of the people. The issue has died out. The high protective tariff

Those who prate about the failure of the government to take care of its 524 Commercial Street old soldiers might give some little consideration to the fact that, since the beginning of our government, 126 years ago, the nation has paid out in pensions the vast sum of \$2,992,509,019.37, up to June 30 of the present year.
