TURNER BEATEN IN WASHINGTON

Republicans Will Control Legislature and Elect All Three Congressmen

LANE WINS IN CALIFORNIA

Probably Has Defeated Pardee for Governor—Republican Landslide Reported in Montana.

SEATTLE, Nov. 4.—Returns from the state election are coming in slowly. Only incomplete returns have been received, but these indicate clearly that the republican congressional candidates, Cushman and Jones for re-election, and Will E. Humphrey, will be elected by a majority between 15,000 and 20,000.

The vote has been lighter than was expected, but both parties will suffer almost equally from the circumstance. The republicans will control the state legislature, having from 90 to 95 members. This insures the election of a republican United States senator to succeed Turner, democratic. The most significant feature of the campaign is the fact that Hiram E. Hadley, republican candidate for justice of the supreme court, will lead his ticket.

IN SPOKANE COUNTY.

SPOKANE, Nov. 4.—Partial returns indicate the defeat of the republican legislative ticket in Spokane county. The republican congressional ticket will carry the county by a large majority. Husher and Graves, democrats, for the state senate, are undoubtedly elected.

UTAH GOES REPUBLICAN

SALT LAKE, Nov. 4.—Indications at

Holloway, associate justice, \$900. The legislature will be slightly republican.

LANE PROBABLY ELECTED

Indications Are He Will Carry California by Small Margin.

SAN FRANCISCO, Nov. 4.—At 1 a. m. the returns at hand indicate that if Lane, for governor (democratic), maintains the present gains he will be elected by a small plurality. The republican committee has reduced its claim for Pardee from 10,000 to 5000. With the exception of governor the republicans will probably elect the entire state ticket, but have lost one and probably three congressmen.

Loud in the Fifth is defeated and Gillette in the First and Coombs in the Second are running behind the ticket. The remaining five congressmen are, according to the present figures, republicans.

Complete returns from 256 precincts outside of San Francisco give Pardee 5085, Lane 7170. About half the vote in San Francisco was counted at 1 a. m. It stands: Pardee, 14,616; Lane, 13,116.

IDAHO GOES REPUBLICAN

Somewhat of a Landslide for Entire State Ticket There.

BOISE, Nov. 4.—Enough is known to assure a republican majority on the entire state ticket of 3000. Counties supposed to be certainly democratic have swung into the republican column. The republicans will have 41 members of the legislature, a majority of 13 on joint ballot.

BOISE, Nov. 4.—Scattered returns indicate the election of Morrison, republican, for governor, by a small plurality. The republicans also claim a majority of the legislative candidates.

CLOSE IN NEBRASKA.

LINCOLN, Nov. 4.—Nebraska has probably gone republican, but by so narrow a margin on the head of the ticket that an unusual slump in any great number of precincts will give the governorship to the fusionists.

ODELL ELECTED BY NARROW VOTE

New York City Rolled Up Great Democratic Majority But Republicans Won Out.

VICTORY SEEMS SWEEPING

With Exception of Delaware and Rhode Island the Republicans Have Elected Their State Tickets.

NEW YORK, Nov. 4.—The city of Greater New York, which last year elected a fusionist to the mayorality, returned to the democracy today and rolled up one of its old-time majorities for that party. Locally, the candidates voted for were three justices of the supreme court, 19 members of the national house of representatives, 21 state senators and 62 state assemblymen. In Kings county a sheriff and in Queens county a district attorney were elected.

Coler's plurality for governor in the city was well above 100,000. Edward B. Amend, Vernon M. Davis and Edward E. McCall, Tammany Hall democratic candidates, were elected to the supreme court by pluralities from 70,000 to 80,000.

The vote cast today showed a remarkable change of feeling from last year, when Mayor Low carried New York county by 5000. William R. Hearst, proprietor of the New York American, is elected congressman from the Eleventh district.

WHAT THE BULLETINS SAY

Brief Dispatches Telling the Story of the New York Fight.

NEW YORK, Nov. 4.—Revised figures up to 2:45 a. m. make Odell's plurality in the state 11,504.

NEW YORK, Nov. 4.—Late returns from remote districts show a falling off in Odell vote. Odell's estimated plurality is now \$300.

NEW YORK, Nov. 4.—With 18 districts to hear from Coler's plurality in Greater New York is 119,431.

NEW YORK, Nov. 4.—Seven hundred and twenty election districts out of 1543 in the city of Greater New York give, for governor, Odell 94,244, Coler 144,624.

NEW YORK, Nov. 4.—Four hundred and seventeen election districts out of 394 in New York state outside Greater New York give Odell \$7,545, Coler 72,367. The same districts in 1900 gave Odell 102,287, Stanchfield 30,670.

NEW YORK, Nov. 4.—At 10 o'clock Senator Platt stated Odell would come to the Bronx with 123,000 plurality. The state is claimed by 15,000.

NEW YORK, Nov. 4.—At 9:15 o'clock the New York World announces the re-election of Odell.

NEW YORK, Nov. 4.—Having been kept fully informed during the day and the night as to the course of the election, President Roosevelt retired fully satisfied with the result. He was particularly gratified with the returns from New York state, which assured the re-election of Governor Odell.

OYSTER BAY, N. Y., Nov. 4.—The town of Oyster Bay gives Odell 1561 and Coler 1657. President Roosevelt's district, the Fifth, gave a plurality of 31 for the democratic state ticket.

IN ILLINOIS

CHICAGO, Nov. 4.—Meager returns prevented at midnight anything like an accurate statement of the result in Illinois, although there is every indication that the republican ticket will be elected by a good majority. The next legislature will be republican.

RESULT IN IOWA

DES MOINES, Nov. 4.—On the basis of the returns up to 11 p. m. the republicans elected the state ticket by about 75,000 plurality. Judge Birdall, republican, to succeed Speaker D. B. Henderson in congress, was elected by about 4000 votes over ex-Governor Boies.

* STANDOFF IN DELAWARE

WILMINGTON, Nov. 4.—The complexion of the next general assembly is in doubt. At 1:15 a. m. it is apparent that a deadlock on the two United States senatorial vacancies will

be the result, as was the case two years ago.

IN RHODE ISLAND

PROVIDENCE, Nov. 4.—The election of Garvin, democratic, for governor is practically assured. The remainder of the republican state ticket and two republican congressmen are elected.

INDIANA IN LINE

INDIANAPOLIS, Nov. 4.—Indiana, it is estimated, gives the republican candidates from 25,000 to 40,000. The delegation to congress remains unchanged. The legislature will be republican by 25 on joint ballot.

IN PENNSYLVANIA

PHILADELPHIA, Nov. 4.—Samuel N. Pennypacker, republican, was elected governor by an estimated plurality of 175,000.

IN WISCONSIN

MILWAUKEE, Nov. 4.—Wisconsin has gone republican by 25,000 plurality. Governor La Follette and the complete state ticket are elected.

OUTCOME IN OHIO

COLUMBUS, Nov. 4.—At 9 o'clock the republican state committee estimated its plurality in Ohio at over 100,000.

WHEN CROWN HEADS MEET.

Visit of Germany's Emperor and Portugal's King Significant.

NEW YORK, Nov. 4.—Emperor William's approaching visit, being closely connected in time with the arrival of the king of Portugal, has revived discussions, cables the Tribune's London correspondent of an alleged secret chapter of Anglo-German diplomacy. No diplomatist doubts the existence of a secret agreement between the two governments relating to the partition of Portuguese—East Africa and many well informed men suspect that Asia Minor also is included in the scope of this convention. The most reasonable theory is that the British government, having secured an option to buy the Portuguese territory whenever the Lisbon government is ready to sell it, arranged with the Berlin government for a scheme for dividing it and readjusting the frontiers. The German emperor is alleged to be anxious to have the sale carried through and the advantages for Germany made known for the sake of vindication of his own course of action in keeping on good terms with England. The British ministers, on the other hand, are believed to be reluctant to reveal a partition scheme in advance of actual purchase of the territory and the king of Portugal is not expected to lend encouragement to the idea that the sale can be hurried on.

SILVERSMITHS GO OUT ON STRIKE

Quit Work Just When Their Services Are the Most Needed.

NEW YORK, Nov. 4.—At the beginning of the holiday trade, with goods of unfinished orders at the factories, nearly 500 silversmiths in this city, have struck for a nine hour work day by order of the Brotherhood of Silversmiths. In several shops increased wages also have been demanded and it is believed the strike will spread, involving factories in other cities.

TWELVE KILLED MANY INJURED

Appalling Loss of Life Attends Panic Which Occurred in New York City.

MADISON SQUARE DISASTER

Crowd of 35,000 Thrown Into Panic by Explosion While Watching Election Returns Last Night.

NEW YORK, Nov. 4.—By a premature explosion of fireworks in Madison Square garden tonight 12 persons were killed and a number seriously injured.

Owing to the panic and confusion among the crowd watching the election returns it was difficult to make any estimate of the fatalities. The report was so heavy that the windows were broken in houses around the square. When the panic had subsided 16 persons were found unconscious on the ground. Some, however, quickly recovered. The others had been horribly mutilated. It was reported that four boys watching the fireworks on Madison avenue were killed. Five hundred extra policemen were ordered on duty.

Twelve persons were killed outright, many being blown almost to pieces, and at least 50 were injured, many fatally. At least 30,000 persons thronged the square at the time of the explosion which was succeeded by a frightful panic in which hundreds were thrown down and trampled under foot.
