Hearst, proprietor of the paper, was the demo cratic candidate for congress in the ing its hand, fearful that the New York democrats would retaliate by knifings it betrayed the men who had always Hearst. At the last minute, however, supported it and the doubtful policies it has promulgated, and came out against Lane. It matters not whether Lane is inferior to Pardee. He was the choice of the party that the Examiner had tied itself to and was given enthusiastic support of those who were out working for Livernash, the Examiner's congressional candidate. The disreputable scheme of the Examther was the outcome of the failure of the Phelan-Tobin combination to permit the paper to dictate appointments in San Francisco. OLD PEOPLE

Have a charm of their own when they are not weak and feeble, but hale and hearty, enjoying the sports and pleasures of youth though they cannot participate The whole secret of a sturdy old age is this: Keep the stomach and organs of digestion and nutrition in per-fect order. The young man who does not think of his stomach will be made to think of it as he grows old. It is the "weak" stomach, incapable of supplying the adequate nutrition for the body, which causes the weakness and feeble-

ness of old age.
Dr. Pierce's Golden Medical Discovery cures diseases of the stomach and other organs of digestion and nutrition. It makes the "weak" stomach strong, and so enables the body to be fully nourished and strengthened by the food which is

eaten.

"I suffered for six years with constipation and indigestion, during which time I employed several physicians, but they could not reach my case," writes Mr. G. Popplewell, of Burcka Springs, Carroll Co., Ark, "I felt that there was no help for me, could not retain food on my stomach, had vertigo and would fall helpless to the floor. Two years ago I commenced taking Dector Pierce's Golden Medical Discovery and little 'Pellets,' and improved from the start. After taking twelve bottles of the 'Discovery' I was able to do light work, and have been improving ever since. I am now in good health for one of my age—do years. I owe it all to Dr. Pistre's medicines."
