THE LANDSLIDE WAS SWEEPING

Republicans Captured Practically Everything in Washington, Colorado and Idaho.

MAJORITIES ARE GROWING

Democrats Have Colorado Legislature, but in Washington and Idaho Are Snowed Out of Sight.

DENVER, Nov. 5.—The Rocky Mountain News, United States Senator Patterson's morning paper, will tomorrow concede the election of Peabody, republican, for governor, and H. M. Hogg, republican, for congress in the Second District. Peabody's plurality over Stimson, the democratic candidate, will amount to from 2000 to 4000, while that of Hogg will be probably greater.

The entire democratic state ticket is defeated, with the possible exception of Mrs. Grenfel, for superintendent of public instruction.

Both sides are claiming the election of congressman in the First District. Adams, democratic candidate for congressman at large, is thought to lead the state ticket and may be elected, but the chances seem to favor the election of Brooks, republican.

On the face of the returns the democrats will have a majority in the legislature, but there are charges of fraud in this (Arapahoe) and other counties, and contests will be filed which, if successful, may defeat the re-election of Senator Henry M. Teller.

THE IDAHO LANDSLIDE

Republican Ticket Has Carried State by Majority of 4000.

BOISE, Nov. 5.—The election yesterday

power. Of the new state senators elected, who will serve for four years and vote on the election of United States senator in two years, the republicans elect nine and the democrats seven.

LANE ALLEGES FRAUD

Democratic Candidate in California Says He Was Counted Out.

SAN FRANCISCO, Nov. 5.—"There is no doubt that the majority of people of California cast their votes for me for governor," said Franklin K. Lane to an Associated Press reporter tonight.

"Then what do you think of the situation at this hour (7:30 o'clock)?" he was asked.

"The result is undecided. There have been several suspicious facts in connection with the count which lead me to believe that frauds have been committed. I have information that 1200 votes which were cast for me were thrown out in Alameda county; 30 percent of the democratic vote in San Francisco is likewise treated and that the totals in Humboldt and Los Angeles counties were withheld in order to ascertain what number of ballots in the count would be necessary to overcome the majority in San Francisco given the head of the democratic ticket."

"Then it is to be inferred, Mr. Lane, that there will be a contest in the event the returns show the election of Dr. Pardee?"

"Most assuredly there will be a contest," said Lane.

PARDEE'S MAJORITY

California Republican Has Two or Three Thousand Lead.

SAN FRANCISCO, Nov. 5.—Complete returns from San Francisco and partial returns from all over the state indicate that George C. Pardee, republican, for governor, is elected by a majority of 2000 to 3000.

WILL CONTROL LEGISLATURE

Republicans to Have Safe Working Majority in Utah.

SALT LAKE, Nov. 5.—Howell, republican, for congress, and McCarty,

REPUBLICAN MAJORITY HAS NOT BEEN INTERFERED WITH

WASHINGTON, Nov. 5.—The latest returns received up to 10:30 p. m. show that the republicans (including three fusionists elected from the districts in Pennsylvania) will control the next house by a vote of 202 republicans to 179 democrats, with one district, the Eighth Tennessee, and two California districts remaining so much in doubt that the official return will be needed to decide the result.

The totals given are believed to be correct, although there are a few districts, such as two in Colorado and one in Minnesota, where the republican and democratic party managers respectively do not concede defeat, but the general result could not be affected, even should their claim prove to be well founded.

day proves to have been much more of a republican landslide than the reports last night indicated. The republican state ticket has carried the state by a majority close to 6,000. Burton L. French, for congress, has a little larger majority. The republicans have 18 of the 21 members of the senate and 33 of the 46 members of the house. This gives them a total of 51 on joint ballot.

The republican aspirants for United States senator are W. E. Borah of Boise, Judge K. W. Standorf of Pocatello, W. B. Heyburn of Wallace and ex-Senator George L. Shoup.

DEMOCRATS SHUT OUT

Will Have But Eighteen Members of Washington Legislature.

SEATTLE, Nov. 5.—The state of Washington has gone republican, so far as the returns now in show, by at least 12,000 majority for supreme court justice and congressmen. King county alone contributes between 4000 and 5000 to these majorities.

The legislature on joint ballot will stand at least 110 republicans to an opposition of 36.

The republican majority is more likely to be increased than towered by the full returns.

The senate will be constituted as follows:

Republicans, 32; democrats, 9; one district still in doubt.
The house: Republican, 78; democrats, 9; seven districts still uncoun-

THE RESULT IN MONTANA

Labor Candidates Will Hold Balance of Power at Helena.

HELENA, Nov. 5.—Returns today indicate that Holloway, republican, for supreme judge, will have about 10,000 majority, and Dixon, republican, for congress, about 1000. The republicans will have a safe working majority in the house, but on joint ballot the labor people will hold the balance of

ODELL THERE BY SAFE PLURALITY

Returns Show That He Has Nearly 13,000 More Than His Opponents in New York.

IS NOT AFRAID OF CONTEST

Republican Chairman Says He Will Show Up Illegal Voting in City if Democrats Start Anything.

NEW YORK, Nov. 5.—Official figures on the vote for governor vary but little from the unofficial reports. According to the returns made to the executive at Albany by the several county clerks, the plurality for Odell, republican, is 12,887.

The returns of the vote for the other state officers are so meager that it is impossible to say if the democrats have been more successful as regards the minor offices than in the case of governor.

It is asserted that Cuneen, the democratic nominee for attorney-general, and Judge Gray, the democratic candidate for judge of the court of appeals, have defeated their republican opponents.

The state legislature is controlled by the republicans, insuring the return of Platt to the United States senate.

NOT AFRAID OF CONTEST

Republicans Say They Will Retaliate if Democrats Protest.

NEW YORK, Nov. 5.—Colonel Dunn, chairman of the republican state committee, when informed today of the report that the democrats threatened to contest the election, said:

"If they start anything of that kind we will give them all the contest they want right here in New York county, and they will wish they had never heard of a contest."

PLATT IS SATISFIED

Trust Question and Coal Strike Cut No Figure.

NEW YORK, Nov. 5.—Senator Thomas C. Platt was asked today for a statement on the state election. He said:

"We have to be satisfied. Odell's plurality is not nearly as large as I had expected."

Senator Platt said that in his opinion the trust question and the coal strike had nothing to do with the result of the vote.

"The democrats got together," he said, "and held together and a few republicans slipped over to them."

CONSOLATION FOR DEMOCRATS

Have Elected Several Important Officers in Rhode Island.

PROVIDENCE, Nov. 5.—Substantial gains for the democrats are shown by the complete returns for the state ticket. They elected their candidates for governor and lieutenant-governor and their congressional candidates in the First District. The republicans have a majority on joint ballot in the legislature.

HANNA MAKES STATEMENT

CLEVELAND, Nov. 5.—Senator Hanna, chairman of the national committee, when asked for a statement today on the election results, said:

"The returns thus far are gratifying, but I do not care to discuss the general result until further and more definite information in some states is available."

SPOONER WILL RETURN

WASHINGTON, Nov. 5.—Postmaster-General Payne today wired from Wisconsin to H. C. Taylor, assistant secretary of the treasury that the return of John C. Spooner to the United States senate was certain.

BOTH CLAIM VICTORY

GUTHRIE, O. T., Nov. 5.—Both the democrats and the republicans are claiming the election of the delegate to congress from Oklahoma.

At Their Next Meeting Will Take Miners' Testimony.

MAHOMY CITY, Pa., Nov. 5.—The anthracite strike commission ended its tour of observation of the fields in the Panther Creek district today and the members of the party will return to

their homes tomorrow and will meet again at Scranton November 14 to take testimony of the miners.

The biggest day's work of the entire trip was accomplished today when the commissioners made a complete inspection of the two large collieries and their tour of the region lying between Mount Carmel and this city.

Six working days have been consumed in traveling from place to place in the anthracite coal region and the arbitrators feel that they now are qualified to sit in judgment on the controversy between the mine owners and their employees.

ODELL'S HEAVY LOSS

PRESENT MAJORITY ALMOST 100,000 BELOW THAT OF TWO YEARS AGO.

ALBANY, N. Y., Nov. 5.—Since Roswell P. Flower in a democratic landslide, defeated J. Sloat Fassett for governor, in the face of republican claims for an easy victory, there has not been such an overturning of votes from the republican to the democratic party in this state as that which occurred yesterday. With the exception of Erie, Albany and Rensselaer counties, every democratic prediction of sweeping majorities was carried out and amplified. Especially was this true below the Bronx. The claims of 12,000 for the Greater New York district was more than verified, but the claims for Erie, Albany and Rensselaer were not responded to, and the failure to realize democratic hopes in these counties removed all chance of Coler's election.

The figures, in total and detail, are extremely interesting. With a registration 4 percent below that of two years ago, the democratic party in the Greater New York district showed a gain in voting power in a majority of the counties of over 40 percent, and this tremendous gain was met and defeated for the republicans averted by the quite remarkable fact that several of the republican upstate counties gave Odell larger pluralities than in 1900, while several others equalled their pluralities of that presidential year. Over its combined vote in the state two years ago, the democratic party gained at least 35 percent, and the republican party lost 40 percent. From a plurality of 115,000, Odell drops to below 10,000, a loss of over 100,000.

While the democrats have gained three and possibly four members in the senate and about 15 in the assembly, the legislature is safely republican, insuring the election of a republican to succeed United States Senator Platt.

COLLIERS IN ACTIVE OPERATION.

Output Has About Reached the Normal Amount.

SCRANTON, Pa., Nov. 5.—Six more collieries have resumed work in this district, so that after repairs have been effected only five are still idle. Four of those will resume during the week. The fifth has been abandoned. The output is now close to the normal and about 56 percent of the men at the collieries in operation are back to work.

GIRLS JOIN STRIKE.

NEW YORK, Nov. 5.—Many girls have joined the striking silversmiths in Manhattan and Brooklyn, and a general strike of 3000 silversmiths is threatened throughout Connecticut, Massachusetts and Rhode Island, if a nine-hour day is not granted. Seven firms in this city are reported to have granted the smiths' demands.

CARELESSNESS WAS THE CAUSE

New York Coroner Has Held Man Responsible For the Fearful Accident.

TERRIBLE SCENES ENACTED

Fifty Thousand Were in the Crowd When the Explosion Came—Twelve Killed Seventy-four Injured.

NEW YORK, Nov. 5.—With a list of 12 persons killed and 74 injured before him, Coroner Schoer has begun an investigation of the explosion of fireworks in Madison Square last evening. Eight men already have been locked up, charged with criminal negligence. The coroner has issued a warrant for the arrest of John Dimundio of Coney Island, who is alleged to have been in charge of the fireworks.

"It is a case of absolute criminal neglect," said the coroner. "One of the mortars was set off and it was pointed at a row of other mortars in a line. There was a defect in the bottom of the mortar and it leaned toward the others, which were set off by the fire ball thrown toward them."

A revised list of the dead follows:

PATROLMAN DENNIS SHEA of the Brooklyn bridge squad.

WILLIAM G. FENNEL, 12 years old.

HAROLD ROBLEE, 13 years old, son of the proprietor of the Bartholdi hotel.

NATHANIEL BINGLEY, 13 years old.

JOSEPH ARBOR, 21 years old.

FIVE UNIDENTIFIED WHITE MEN.

TWO UNIDENTIFIED COLORED MEN.

The scenes at the hospital and at the morgue following the terrible crash after the explosion at Madison Square were beyond description. It is estimated that 50,000 persons were in the square at the time. Probably 20,000 of these were massed around where the explosion occurred and while they were scrambling to reach places of safety, knocking one another and falling over park benches, 30,000 others were cheering from the opposite side of the park, where they were viewing the election returns, which were thrown upon a screen before the new skyscraper known as the "Flatiron" building. The persons in this portion of the park were apparently elated over the returns and supposed the explosions which rent the air were part of the program, and were totally unaware of the tragedy being enacted so near at hand until a detachment of police forced their way through to make room for the passage of the men bearing the mangled remains of their comrades. Patrolman Shea, instantly a terrible calm swept over the crowd and all interest in the returns immediately died out.

As the long line of patrol wagons and ambulances carrying the dead and injured filed through Twenty-fifth street for Bellevue hospital, thousands lined the walk and gazed awestricken.
