at the conveyance. Five hundred persons gathered outside of the morgue and other hundreds came and went during the night, seeking among the unidentified dead for relatives and friends whom they had lost during the terrible crash following the explosion.

Nearly the entire force was at work over the injured. Sixty-five emergency surgeons and physicians, 40 visiting surgeons and physicians and 500 male and female nurses, together with every attendant at the hospital, were summoned for immediate duty. Many amputations were found necessary.

At the hospitals, the injured were reported as being in a fair way toward recovery with the exception of Mortimer Butler, who became unconscious after the amputation of one of his legs and is not expected to recover; and Frank Leisten, one of the men engaged in setting off the fireworks, whose death is probable.

CHARGED WITH MANSLAUGHTER Man Who Had Charge of Explosives Has Hearing.

NEW YORK, Nov. 5.—The coroner held John Craig in \$15,000 bail on a charge of manslaughter in the first degree. Craig, it is alleged, was in charge of the explosives at the time of the accident last night when 12 people were killed and 80 were injured.

Two boys were carrying boxes of explosives and were sent to the house of detention by the coroner as witnesses. All the rest of the 10 prisoners were discharged.

KILLED THEIR FATHER

THREE NEBRASKA CHILDREN SHOT HIM AND THEN BURNED HIS BODY.

COLUMBUS, Neb., Nov. 5.—Three children, the oldest of whom is 14 years old, are under arrest near Humphreys for killing their father, Gerhard Porsch, a farmer, and burning his body.

Porsch was killed, according to a statement alleged to have been made to the sheriff by Herman, his 14-year-old son, who used a shotgun, which he had purchased for the purpose. Then, with the help of two brothers, August, aged 10, and John, aged 8 years, Herman dragged the body to a straw stack and set fire to it.

Herman who is said to have fired the gun that killed his father, implicates the younger brothers equally with himself, while they put the blame on him. The only motive for the crime given is that the father, who was a widower, had not treated them kindly. Neighbors say they know of no mistreatment.

WILKESBARRE, PA., Nov. 5.—All the mines in the Lackawanna region are being worked to their fullest capacity. Four fatal accidents have occurred in the Wyoming region within 24 hours. One of the horses was killed and the coach rolled over several times in its descent. All the passengers were injured more or less, the most severely hurt being:

Superintendent Mattes, of the Swamp Angel Mine, Red Mountain, left leg broken in two places below knee; right leg broken above knee.

Allen McFarland, mining man, Red Mountain, badly hurt in back and hips.

D. L. Hancock, Milwaukee, shoulder and hips injured.

Tim Munton, leg broken and back hurt, head cut.

John Skell, badly bruised.

Rodney Bason, head, face and hand lacerated, badly hurt.

Walter Foley, back injured, hand crushed and face cut.

George Ross, wife and son, seriously lacerated and bruised.

The driver attributes the accident to the slipping of the brakes and an unruly horse.

Hearst of New York, against the anthracite coal-carrying railroads charging that the latter's rate for transportation of coal from the anthracite field to New England, New York, Maryland and the District of Columbia are unreasonable and unjust, was filed with the Inter State commerce commission.
