ALL EFFORTS TO ROUSE PATIENT PROVED FUTILE Servant Girl Dies In New York Hospital After Having Slept For 20 Days. NEW YORK, Nov. 8.—Nellie Corcoran, who for 20 days lay in a mysterious state of coma in St. Vincent's Hospital, died early today. The case was an extremely puzzling one to medical practitioners throughout the city.

The girl fell into her state of unconsciousness October 18 at the house where she was employed as a servant. At the hospital where she was taken heroic efforts to determine the cause of her condition met with little success. Hundreds of physicians examined her and every known method was tried to awaken her but with little success. Two or three times she was aroused and spoke a few words, saying she was sleepy and again became unconscious. Electricity was applied and in hard doses but ineffectively. Neurologists and pathologists tried to diagnose the girl's condition but could not. Specialists of nearly every medical following were called in but they arrived at no conclusions as to the cause of the coma or its proper diagnosis.

It was even suggested that some one had hypnotized her and efforts to throw off such a spell were made but to no purpose. Her temperature increased rapidly. She became emaciated and finally stopped breathing after having slept continuously for 20 days. An autopsy will be performed by one of the city's leading physicians in an effort to solve the mysterious cause of the girl's death.

It lay in a most unfrequented spot and had been covered with underbrush. Investigation showed

Asthma Can Be Cured The statement of Mr. J. F. Homan, 30 E. Adams St., Chicago, proves that the worst cases of Asthma in the world are not only relieved, but are readily cured by Dr. Schiffmann's Asthma Cure. He says: "Asthma kept me in terrible misery for ten years until I used your Asthma Cure. After the first trial I was a changed man. I went to sleep that night and awoke next day much relieved and I have gotten entirely over the Asthma. It is now nine years since I was cured."

that every pocket had been cut from the man's clothing except one. In this was found a letter purporting to have come from the victim's brother. It told him to come at once from Port Chester to a town near Yonkers for work which awaited him. No trace of the man's brother can be found and the police believe the letter was a decoy. The victim showed evidence of having been prosperous and had dealings with well known Italian bankers in this city.
