

AFFAIRS AT NEHALEM

STORM DELAYED THE VOSBURG, WHICH REACHER ASTORIA LAST EVENING.

The steamer Vosburg arrived last evening from Nehalem with a large quantity of freight and the following passengers: Frank Steiner and his mother, who are enroute for Pennsylvania to spend the winter; Mr. and Mrs. Alvin and child, who are on their way to Tacoma preparatory to Mr. Alvin's annual trip to Dawson, and Mrs. Vosburg, L. Olsen and A. Anderson, who have business in this city. The Vosburg had been bottled up at Nehalem since November 6, and it seemed for a time that the winter would pass before she got to sea. The delay was caused by the "shouldering" of the channel, a condition due to heavy freshets and a rough bar. The freshets, which have been very pronounced during the past month, caused sediment to collect, and the boisterous sea banked this in the channel in such a manner that it was impossible to navigate in or out. Many attempts were made by the Vosburg to put to sea, but it was impossible to do so until yesterday morning. Even then the sea was not quiet, but the Vosburg got out safely, reaching the A. & C. dock last evening. The officers of the tug report that Nehalem is enjoying its accustomed prosperity. The mill is running and business is generally good. The lumber schooners Lizzie Pien and John F. Miller are in port. The latter has a lumber cargo and will be towed to sea on the return of the Vosburg, which will depart this evening.

POLITICS IN THE YUKON.

Hot Contest Going on Over the Election of a Member of Parliament.

SEATTLE, Nov. 25.—A special to the Post-Intelligencer from Dawson says that the Yukon is wildly excited over the election of a member of parliament, the first in the history of the country. Ex-Governor Ross and Joseph Clarke are the candidates. Dawson will go for Clarke heavily, but Clarke is strong among the miners along the creeks. Ross is at Victoria and will not visit the Yukon, while Clarke is on the stump, holding meetings every night. The fight is a close one and is being hotly contested.

GREAT INTERESTS IGNORED.

English Statesmen Are Indifferent to Marked Increase of Colonial Trade.

NEW YORK, Nov. 25.—The indifference with which colonial interests are regarded by Sir William Harcourt and other liberals is not justified, says a London dispatch to the Tribune, by the statistics of trade of the last nine months. These disclosed an increase of over \$50,000,000 in exports to the colonies and a decrease of \$100,000,000 to foreign countries. Since 1900 the exports to Canada alone have increased \$10,000,000. The losses in trade with Germany, Japan, France and Argentina have wiped out the gains in exports to the United States.

MORE POWER FROM NIAGARA.

It has been decided to build a large power plant on the Canadian side of Niagara falls, which when completed will enable the operators to furnish 200,000 horse power. A few years ago the idea of using Niagara's power would have seemed ridiculous, but the progress of invention during last century has now made it possible. There also has been wonderful progress made in medicine during that time, the most noticeable being the introduction of Hostetter's Stomach Bitters about 50 years ago. This family medicine is for everybody, but more especially for those who are weak and sickly. It will strengthen the stomach and nerves, cure indigestion, insomnia, constipation and malaria, fever and ague. Try it and see for yourself.

Mrs. Laura S. Webb,

Vice-President of Women's Democratic Clubs of Northern Ohio.

THERE ARE MANY sickly women between the ages of 45 and 55, but there are very few invalids over 55 and 60 years of age. The change of life coming to a woman near her forty-fourth year, either makes her an invalid or gives her a new lease on life. Those who meet this change in ill health seldom live ten years afterward, while a woman who lays aside the active duties of womanhood in health seldom fails to live on in happiness, years after she has passed 60. This is truly a critical time.

Mrs. Laura S. Webb, of Toledo, Ohio, recognizes the change of life as a dangerous period and she also has faith in Wine of Cardui. She writes:

"As I had always been troubled more or less at the menstrual period, I dreaded

Mrs. Laura S. Webb.

the change of life which was fast approaching. While visiting with a friend I noticed that she was taking your Wine of Cardui, and she was so enthusiastic about it that I decided to try a bottle. I experienced some relief the first month, so I kept on taking it for three months and now I menstruate with no pain and I shall take it off and on now until I have passed the climax. I do not dread it now, as I am sure that your Wine of Cardui will be of great benefit at this time."

Wine of Cardui is the remedy to re-inforce a woman against the shock that comes with the change of life. It re-establishes healthy functions after years of suffering. In doing this it has saved thousands of sufferers just in time. Do not wait until suffering is upon you. Thorough preparations should be made in advance. Begin the Wine of Cardui treatment today.
