THE Kaufman Garments and Custom Tailoring are On a Par.

No merchant tailor makes clothes that wear better, that look better or fit better.

Each suit or overcoat has that out of the ordinary look which immediately stamps it as the peer of any ready-to-wear garment manufactured. To wear a "Kaufman Garment" means comfort, style, economy and satisfaction.

The "Kauiman" overcoats are recognized everywhere as the highest order of tailor-ing and draping. No other make of over-coats give such universal satisfaction, and best of all the cost of these garments is very moderate. Ask to see the "Kauf-man" Topscot.
