After being shut down for a few the pulp mill of Youngs river falls is now running smoothly. The old force, with the exception of one man, has retired from the field of action and new hands have taken their places. There had been no organized union among the employes, but they Sunday. simply got together, asked for more pay, received the time coming to them and quit. Manager Shanks in Astoria. is very frank about the matter, saying that he does not blame the men for desiring an increase and that he is sorry he is unable to grant the demands, but as the business now is, he would not be justified in so doing.

Astbury proved high man for the Irving team, winning both single and total and of the victors M. F. Hardesty carried off the honors, his total being 202 and a single high score of 66. His average of 60 and a fraction is considered very good, an average considerably higher than any attained in the first contest, and then Mr. Hardesty did not come off first best.
