ENGLISH COAL IN DEMAND.

The American demand for English coal is again in evidence, and many large vessels are being loaded and started for our country as rapidly as possible. The demand for the celebrated Hostetter's Stomach Bitters is also largely increased, because more people are learning of its wonderful curative powers in cases of stomach, liver, kidney and bowel disorders, and having tried one bottle they are being convinced of its value, and won't accept anything else in its place. This will be your experience, too, if you will only give it a trial. It will build up the run down system in the spring, overcome that tired, depressed feeling, purify the blood and cure loss of appetite, indigestion, dyspepsia, constipation, biliousness, and a gripe. Don't fall to try it.

NOTICE.

By an agreement between the Astoria Loan office and the Retail Clerks' union, this store is allowed to keep open after 6 o'clock p. m. for the purpose of receiving pledges with the understanding that no goods are sold after that hour. C. W. SPRIGGS, Secretary.

the mortar mixers and brickhandlers, while the demand from the cement men was dated April 6. On this showing the committee promptly decided that the strike was off, at least until a new demand may be made with proper notice.

The organizations interested will meet next Friday night, but the question as to whether at that meeting another demand will be authorized remains unanswered.

The master painters are saying very little as to the situation or its probable outcome further than to state that on necessary work they have men employed, and as future work needs attention they will find men to do it.

The painters claim that many men are being put to work daily, 35, they say, in the past two days, and they are encouraged over the accession of one of the large houses, Chase Paint & Oil company, to their ranks.

NOTHING LIKE IT.

Beatty Bros.' moving picture show consists of 50,000 of the latest moving pictures and the latest illustrated songs sung by Professor Hadley of New York. This show is not to be classed with the so-called moving picture shows of which there are so many traveling nowadays. It is an acknowledged fact that the Beatty Bros. have the only six moving picture machines on earth with the diamond projecting lens. Beatty Bros. had these machines made to order last July. They have six pockets that do away with all that quiver. Most of the Beatty Bros. pictures are colored and cost 50 cents per foot, while the ordinary picture costs 10 cents a foot.

You will see such pictures as "An Old Maid From New York," "Jack and the Beanstalk," in 10 beautiful scenes. "Unexhaustible Cab," "I guess that will hold you for a while," "Assassination of President McKinley," "His Funeral," "Who's Baby Are You?" "I'm Aunt Rastus' Baby, That's Whose Baby I Am." Don't fall to see "A Fisherman's Catch," "Casey and the Street Roller," "A Fat and Lean Man's Wrestling Match," "A Man With Four Heads," "Capture of Biddle Brothers, Outlaws," battle scenes, boat scenes, train scenes, comic scenes. Beatty Bros. come to our city very highly recommended.

The Salt Lake Tribune says: "Beatty Bros. played at the Salt Lake theater Friday, October 24, 1902, and gave universal satisfaction."

At Fishers' Opera house April 15. Admission 25 and 50 cents.

Teachers' Institute

The annual Clatsop county teachers' institute will be held May 6, 7, and 8 at Astoria. The day sessions in the high school building, evening sessions at the Methodist church. All teachers of this county will be in attendance promptly. The public cordially invited to attend day and evening meetings.

PUBLISHING HOUSES WILL UNITE

Chicago, April 14.—Methodists through out the land will have put before them for consideration and discussion Wednesday, the plan to merge into one corporate institute the two great publishing houses of the church the Methodist Book Concern in New York and the Western Methodist Book Concern of Cincinnati and Chicago.

The act is to unite the two corporations under one firm title and gather under one roof the varied publishing interests connected with Sabbath school literature and the enormous bookmaking departments that are now divided between the two plants in New York and Cincinnati.

The Epworth Herald will be published in the institution, but the periodicals, of which there are five, and a magazine printed in German in Cincinnati, will continue to be issued from the points where they are now published.

It is estimated that an annual saving of \$10,000 can be effected by combining the corporations.

BALL PLAYER EVANGELIST.

Chicago, April 14.—Facing the assembled ministers of the Chicago Presbytery, William A. Sunday, the former ball player, has submitted to the necessary examination to determine his qualifications for ordination as an evangelist of the Presbyterian church. He answered the questions of his examiners to their entire satisfaction and his ordination was pronounced sound in every particular. He will be formally ordained tomorrow at the Jefferson Park Presbyterian church, when Dr. Wilbur Chapman will preach the sermon and Dr. Alex Patterson will deliver the charge to the candidate.

COL. LYNCH FAILING RAPIDLY.

New York, April 14.—It is learned that the friends of Colonel Lynch, who is undergoing a sentence of life imprisonment for his treason in aiding and abetting the Boers in their war against Great Britain, are greatly concerned about his health in prison, cables the Tribune's correspondent in London. Lynch has lost weight as well as spirits, and his friends say that his health is falling rapidly and that he may not live long enough to be pardoned by the king after the royal visit to Ireland.

GENERAL SUPERINTENDENT.

Spokane, April 14.—It is stated here that Assistant General Superintendent F. W. Gilbert, of the Northern Pacific railway, has been appointed general superintendent, succeeding M. C. Kimberly.

"I am pleased to give my experience with Wine of Cardui for his help. After my first baby was born I could not seem to regain my strength, although the doctor gave me a tonic which he considered very superior, but instead of getting better I grew weaker every day. My husband came home one evening with some Wine of Cardui and insisted that I take it for a week and see what it would do for me. As he seemed to have so much faith in it I did take the medicine and was very grateful to find my strength slowly returning. In two weeks I was out of bed and in a month I was able to take up my usual duties. I am very enthusiastic in its praise."

MOTHERHOOD is the noblest duty and highest privilege women can achieve or aspire to. Without this privilege women do not get all there is in life—too often they go through the world discontented, wrapped up in their own selfish cares and troubles. How different is the happy mother, watching her children grow into manhood and womanhood. A mother lives as many lives as she has children—their joys and sorrows are hers, as are their ambitions, triumphs and defeats. Healthy women do not suffer miscarriage nor does a woman who is healthy suffer tortures at childbirth. It is the woman who is ailing—who has female weakness—who fears the ordeal of becoming a mother. Wine of Cardui builds up the womanly in a woman. It stops all unnatural drains and strains irregularities which are responsible for barrenness and miscarriage. It makes a woman strong and healthy and able to pass through pregnancy and childbirth with little suffering. After the ordeal is passed the Wine prepares a woman for a speedy recovery to health and activity.

WINE OF CARDUI A million suffering women have found relief in Wine of Cardui.
