A EUROPEAN PLEASURE TOUR.

Hon. Benjamin Young and daughter Miss Caroline will start east some time this month to join a party of friends at New York for a pleasure tour through Europe. They expect to be gone at least five months, and are unrestricted as to routes destination or time. Mr. Young is getting his varied interests in shape so they can take care of themselves. He returned yesterday from South Bend after setting things in order on his Cedar river ranch. It may be necessary for him to make a trip to British Columbia before starting on the eastern trip. left his native city Malmo, Sweden, almost 40 years ago, at the age of 15, and has visited it but once since. This is the third time he has planned to tour Europe, "and I will make it a go this time if I have to borrow the money," says the jolly old capitalist. Four ladies and four gentlemen will make up the party. The others are all old friends living at Spokane, New York and North Carolina. All will meet in New York and will then use their joint pleasure as to the future, which promises for them an enviable round of enjoyment.

THE NEW GYMNASIUM.

The upper room of the Flavel building on Bond street, formerly occupied by the A. F. C., will be converted into an up to date gymnasium by the Commercial club, this arrangement having been reached at a general meeting of the club last evening. The room had been offered by the Flavel estate and it was well known that the members were all along favorable to the plan. A covered archway will be built from the club rooms to the gymnasium, a petition having already been presented to the city council to grant permission for the proposed improvement. This permission without doubt will be obtained, whereupon work will at once be commenced. The new gymnasium will be fitted up after the most modern style. A new floor will be put in and the furnishings and appointments generally will be of an excellent nature.

HATS TRIMMED FREE.

DISGUISED BY WHISKERS.

An attendant of the insane asylum arrived here yesterday and returned with Eric Ivalainen, who recently escaped from the institution. Eric has been residing at Olney since he arrived in this section and the reason he was not recognized at once by the county officials was owing to a flowing beard he had grown since last seen by them.

LARGEST SHIP IN THE WORLD.

The new steamer Celtic recently built is the largest and probably the strongest vessel of its kind ever built. When she recently set sail from Liverpool for New York a large crowd saw her start on her first long journey. There is also a large crowd of people throughout our country who are daily witnesses to the fact that Hostetter's Stomach Bitters positively cures stomach, liver and kidney complaints, because it cured them. It will do as much for you too, if you will only give it a trial. It positively cures headache, belching, nausea, indigestion, dyspepsia, biliousness, nervousness, insomnia, and malaria, fever and ague. Be sure to try it at once. The genuine is for sale by all druggists and general dealers. Don't accept any other.
