WONDERFUL WORK.

Lots Like It Being Done Right Here in Astoria.

Astoria people are surprised at the work being done by "The Little Conqueror." Public expression on the subject brings the matter frequently before the people. At first there were many doubters and why not? So many claims of a similar nature have been made with little or no backing, excepting the word of some stranger residing in a far-away place; this evidence was accepted for lack of better. Not necessary to accept it any longer. All sufferers from any kidney ill can find plenty of local endorsement to a remedy that will cure them. Surely the wonderful work of Doan's kidney pills right here at home is proof sufficient to satisfy any skeptic. Read the expression of a Portland man on the subject:

J. Carson employed at the Portland Lumber company, foot of Lincoln street, Portland, who resides at 366-First st., says: "I was feeling miserable with a depressing lameness around the small of my back all last summer. At first I did not pay much attention to it, but it continued to grow worse and finally became so bad that I thought I would have to lay off work. To bend or move quickly caused severe twinges; I was often attacked with dizzy spells; specks appeared before my eyes and I had no ambition or energy. In the morning I arose as tired as when I went to bed. In fact I had all the symptoms of a very severe case of kidney trouble. When I was suffering the worst I read about Doan's kidney pills and procured a box. I soon noticed an improvement in my condition and the pain and aching across my back soon disappeared. About six weeks ago I was laid up with a siege of the grip for two weeks. Symptoms of kidney complaint made their appearance again. I resorted to Doan's kidney pills a second time. They just as thoroughly freed me of the trouble as in the former case. I cannot express what change they have made in me. I simply feel like a different person."

Plenty more proof like this from Astoria people. Call at Charles Rogers' drug store and ask what his customers report. For sale by all dealers. Price 50c per box. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no substitute.

SAILED WITHOUT A RUDDER.

One of Britain's battleships just recently accomplished the remarkable feat of sailing over 2000 miles without a rudder, and which reflects the greatest credit on her officers. The record of cures back of Hostetter's Stomach Bitters certainly reflects great credit on the ability of this medicine to cure stomach liver and kidney disorders, even after other remedies have failed. During its 50 years experience it has never been known to fail in cases of dizziness, loss of appetite, insomnia, headache, indigestion, dyspepsia, liver and kidney troubles, or malaria, fever and ague. In view of such a convincing record we feel justified in urging you to try it at once. We know you will be satisfied with the result. The genuine must have our private stamp over the neck of the bottle.
