Grand Court Is Adjourned

Foresters Celebrate End of Session With a Brilliant and Successful Ball.

Today the Visitors Will View the Pacific-Homeward Bound This Evening.

Foard & Stokes hall was a scene of gaily and pleasure last evening during the Foresters' grand ball, which closed the meetings of the grand court, in session since Wednesday morning.

At the afternoon session yesterday the officers elect were duly installed and the business of the grand court was closed. The ball in the evening was, like all the features provided by the hosts, a rousing success.

The delegates were escorted to the Kinney cannery of the C. R. P. A., where they were shown the process of preserving salmon by canning, and to the S. Schmidt & Co. plant, where the cold storage process was inspected. Returning to the customs house, they were lined up and photographed by Mr. Swope, who also took a flashlight of the Foresters at the banquet on Wednesday evening.

During the ball each Forester received a handsome medal commemorating the grand court session. Besides the emblem of the order bears the words: "Tenth Biennial Session, Grand Court of Oregon," and on the reverse a very good engraving of the city of Astoria. On the clasp is shown a fine specimen of the "official bird" of the city, a royal chinook, and on the red, white and blue ribbon, "Astoria, May 12-16, 1903."

To be doubly generous, a beautiful button souvenir with silk flag attached was presented to every person who attended the ball.

The Astoria court is to be especially commended in that it has not asked the citizens for a dollar in donations for the expenses of the occasion. The money, which was no small sum, was all raised by the members through their own efforts. That the entertainment has been magnificent and very highly satisfactory and pleasing to the visitors, they unanimously declare.

Today witnessed the closing feature of the program—an excursion to Seaside, for all of the members of the order and their lady friends. The special train is to leave at 9 o'clock this morning, returning at 3:30 p. m.

AN OBJECT LESSON.

A. J. Murphy an armless and footless wanderer who is now doing business in this city, is worth more than a barrel of medicine to the down-hearted and discouraged. Murphy lost his hands and feet by having them frozen during the memorable blizzard of 1888, when so many people perished in Nebraska and other western states. While Murphy does not hail from Nebraska

SCALP HUMOURS
 Itching, Scaly and Crusted With Loss of Hair

Speedily Cured by Cuticura Soap and Ointment

When Every Other Remedy and Physicians Fail.

Warm shampoos with Cuticura Soap and light dressings of Cuticura, the great skin cure, at once stop falling hair, remove crusts, scales and dandruff, soothe irritated, itching surfaces, destroy hair parasites, stimulate the hair follicles, loosen the scalp skin, supply the roots with energy and nourishment, and make the hair grow upon a sweet, wholesome, healthy scalp when all else fails.

Millions of the world's best people use Cuticura Soap, assisted by Cuticura Ointment, the great skin cure, for preserving, purifying and beautifying the skin, for cleansing the scalp of crusts, scales and dandruff, and the stopping of falling hair, for softening, whitening and soothing red, rough and sore hands, for baby rashes, itching and chafings, in the form of baths for annoying irritations and inflammations, or too free or offensive perspiration, in the form of washes for ulcerative weaknesses, and many antiseptic purposes which readily suggest themselves to women, as well as for all the purposes of the toilet, bath and nursery. Cuticura Soap combines in one soap at one price the best skin and complexion soap and the best toilet, bath and baby soap in the world.

Complete treatment for every humour, consisting of Cuticura Soap, to cleanse the skin, Cuticura Ointment, to heal the skin, and Cuticura Pills, to cool the blood, may now be had for one dollar. A single set is often sufficient to cure the most torturing, disgusting, itching, burning and scaly humours, eczema, rashes and irritations, from infancy to age, when all else fails.

himself, his Bryanesque cast of countenance and penchant for talking remind his listeners of the famous Nebraskan. In spite of his affliction Murphy can dress and feed himself, and can write a good plain "hand" with pen and ink, all of which he illustrates in his public exhibitions. When fully dressed he can walk the street hardly recognizable as a cripple, so long as he keeps his hooks in his pockets. He said: "Young man, never be discouraged. If I can live and be happy after the suffering and loss I have sustained, you who have all your members should be able to triumph over every obstacle in life." Murphy is truly a marvel. His cheerful voice and rich Irish wit are good to hear, and his example is a wholesome inspiration to those who lack the will to overcome disappointments and difficulties. Murphy exhibits this afternoon and evening at the corner of Twelfth and Commercial streets.

SAILED WITHOUT A RUDDER.

One of Britain's battleships just recently accomplished the remarkable feat of sailing over 2000 miles without a rudder, and which reflects the greatest credit on her officers. The record of cures back of Hostetter's Stomach Bitters certainly reflects great credit on the ability of this medicine to cure stomach liver and kidney disorders, even after other remedies have failed. During his 50 years experience it has never been known to fail in cases of dizziness, loss of appetite, insomnia, headache, indigestion, dyspepsia, liver and kidney troubles, or malaria, fever and ague. In view of such a convincing record we feel justified in urging you to try it at once. We know you will be satisfied with the result. The genuine must have our private stamp over the neck of the bottle.
