SAILED WITHOUT A RECDER.

One of Britain's battleships just recently accomplished the remarkable feat of sailing over 2000 miles without a rudder, and which reflects the greatest credit on her officers. The record of cures back of Hostetter's Stomach Bitters certainly reflects great credit on the ability of this medicine to cure stomach liver and kidney disorders, even after other remedies have failed. During its 50 years experience it has never been known to fail in cases of dizziness, loss of appetite, insomnia, headache, indigestion, dyspepsia, liver and kidney troubles, or malaria, fever and ague. In view of such a convincing record we feel justified in urging you to try it at once. We know you will be satisfied with the result. The genuine must have our private stamp over the neck of the bottle.
